

# REMOTE LEARNER INSTRUCTIONS: GOOGLE MEET

## Upper Grades (3rd-8th)

### Logging into Google Meet on School-Assigned Devices

#### For School-Assigned Chromebooks:

1. Students must login to the chromebook using their school email account and password.
2. Once logged in, open the Chrome browser and go to [meet.google.com](https://meet.google.com).
3. The Google Meet for your son's class will be listed (see example below). Click on the link to enter the class.
4. We ask students to mute themselves upon entering the meet until the teacher instructs them otherwise.

### Logging into Google Meet on Personal Devices

#### For Home Computers/Laptops/Chromebooks:

1. Students must first login to their school Google email account by going to [Google Sign-in](#) on a browser.
2. Once logged in, students can go to [meet.google.com](https://meet.google.com).
3. The Google Meet for your son's class will be listed (see example below). Click on the link to enter the class.
4. Students will need to enter in the meet code to join (see page 3 to find your son's class meet code).
5. We ask students to mute themselves upon entering the meet until the teacher instructs them otherwise.
