International School of the Sacred Heart

2020-21 Profile

Our School

The International School of the Sacred Heart is a private, Catholic, college preparatory school for young women. It offers a rigorous curriculum that draws on the natural curiosity and ability of students to help them experience and develop a love of learning. We focus on the whole child--intellectual, spiritual, emotional, social and physical development. Our goals and curriculum are strongly rooted in the Goals and Criteria of the Sacred Heart Schools around the world. Our student population includes boys (in Kindergarten) and girls from 41 nationalities and faculty from 16 different countries. This diversity adds a rich dimension to our learning environment. Students who apply are required to have a high level of English language proficiency. If a student is not a native speaker of English, they may be accepted into one of the two ESL programs that the school offers.

Our Mission

Rooted in the goals of the Society of the Sacred Heart, we educate young women of the international community in Tokyo to believe, learn, serve, connect and grow.
