*Legacy Society*

### ***Our Future***

Generous gifts from members of our community have helped De La Salle High School deliver a unique and powerful educational experience for young men. With a mission based on Lasallian principles, our learning community emphasizes Christian values, academic excellence, respect for the individual learner, and service to the poor. Our tradition and legacy has been built in partnership with our entire community over the past 45 years.

We believe it is a special person who decides to designate a portion of their estate to serve the educational needs of future generations. As a result, we invite you to join a group of philanthropic individuals who have decided to leave a legacy to De La Salle. You can help ensure that De La Salle continues to provide an excellent college preparatory education for years to come.

### ***Your Legacy***

The *Legacy Society* honors supporters who wish to leave a legacy for future generations of Spartans through provisions for De La Salle in their estate plans—either by will, trust or other planned giving arrangement.

By becoming a member of the *Legacy Society*, your generosity will live on through our mission

to provide a Catholic, Lasallian education to those who may seek it. Your gift will enrich our dynamic learning environment through enhanced academics, technology, faculty training, campus facilities, and more. The impact of your gift will be felt by the families that receive financial aid, by our faculty members who continue to provide quality instruction, and by co-curricular student activities such as band and performing arts, campus ministry, athletics, and service learning clubs who will be equipped with the appropriate resources and gear to reach their goals.

**For more information, contact De La Salle's Advancement Office at (925) 288-8100. Our staff can provide you with information about becoming a *Legacy Society* member and naming De La Salle High School in your estate plan.**

### ***Our Gratitude***

As a *Legacy Society* member, you are an honored guest at our luncheon and other special events. Unless you choose to remain anonymous, your name will be featured annually in our published Honor Roll listing in the *Union* magazine. You will also receive the distinguished *Legacy Society* pin, a memento and symbol that conveys your commitment and makes a statement about your support of our future mission.

### ***How to Join***

Enrolling is simple. The only qualification for membership is to advise De La Salle High School that some sort of testamentary provision has been made. The size of the gift need not be disclosed. *Legacy Society* gifts can take many forms:

- Bequests in wills or living trusts;
- Retirement plan or IRA beneficiary designations;
- Gifts of life insurance;
- Life income gifts through a charitable remainder.
