Meals served in the three neighborhoods will be available from 11:00 a.m. to 12:00 p.m. daily when school is in session. There is no sign up for meals served in the neighborhoods, however, you will need to sign up to receive a meal from the schools as stated above.

How can I help my child through this challenging time?

We recommend that you keep routines in place: bedtimes, wake-ups, and snack and meal times, chores, school work. Be creative about new activities and exercise. Limit the consumption of news, and answer their questions honestly but with reassurance. Our Mental Health Team, Ms. Smith (interim counselor), Mrs. Ramirez (Social Worker), and Mrs. Woundy (School Psychologist) are available to help. Please email them with your specific questions.

Lastly, we will miss ALL of our students immensely! We believe in them and their ability to take on this virtual learning challenge. We also believe in the partnership we have with our families. I would be remiss if I didn't highlight the amazing knowledge, skills, and dedication our teachers and entire staff at King have. They are committed to help your child become the best learner possible. Thank you for partnering with us.

Sincerely,

Tricia Bentley, Principal
