

Addendum #1 RFP 202021-002

- Please clarify what the district means by "Proposals must be submitted using this RFP only" on page 3.
Your response most relate to this RFP only. Please do not clone any of your past responses.
- Is the vendor application described in Section 3.3, page 8, required as a part of the RFP response?
YES – (Option 2) Technology Application: <https://www.eanesisd.net/dept/purchasing/vendor>
- RFP Page 12 states the RFP should include "c) Additional Requirements." Please clarify the additional requirements that are being referenced.
Any additional requirements the District may need to best use your product; such as internal support from our Technology Services dept.
- Are the requirements on page 16 mandatory?
YES
- Given that the RFP is a digital submission, will the district accept digital signatures on the required forms?
YES
- Will purchases be made at the district or school level?
Depends on your product. Curriculum software could be procured for District wide purposes, campus level or teacher level.
- Would Eanes ISD like to see tiered pricing and multi-year pricing options?
YES
