Dear Legacy Early College parents,

As we break for the holidays, we wish you, your scholars and families a safe, peaceful, and joyful break. It is well-deserved! We know how hard our scholars and staff have been working, and we know that this has been a difficult and unpredictable time for our entire community.

Please know how thankful we are for your continued partnership and involvement with Legacy Early College. We are more committed than ever to supporting your scholars' learning and development and ensuring your scholar is on a path to and through college.

We look forward to seeing you after the break, when we will return on Tuesday, January 5th remaining in virtual (remote) instruction. We will be monitoring conditions and will let you know the week of January 5th our plan moving forward and into the second semester. No matter our approach, we will continue to prioritize your scholars' safety and academic achievement.

Have a wonderful holiday, and we'll see you on the 5th!

Legacy Leadership Team
