

YOU HAVE SHOWN US THAT WE CAN DO VIRTUALLY ANYTHING

Virtual. Live Stream. Hybrid. Oh My!
It's enough to make you want to cry.

But, you've gone back and forth with ease.
Making it all seem like a breeze.

Canvas, MiStar, Zoom and more.
It can all seem like such a chore.

But, you've shown us that you can teach from anywhere.
And, that reminds us of how much you care.

Through it all, you've been our rock.
Helping us break through every roadblock.

Inspiring, engaging and connecting no matter what.
You've done it all with grace and guts.

Thank you for showing us how it's done.
The impact you're making has just begun.

Thank you teachers and staff for all you do!
