

THE URSULINE SCHOOL

Please review the list of club offerings for 2020-21. As you know most of our clubs will “meet” virtually via Zoom.

Students are encouraged to review the club list. **This is an updated list of clubs being offered as of December 18, 2020. All club information and Zoom Links as applicable are included.**

Student club leaders and/or faculty club moderators will often send an all school email with a one time recurring Zoom invite/link for their specific club. Please note:

- Club meetings / Zoom sessions may never take place without a club moderator.
- Students may only Zoom into the club meeting using their Ursuline email address and the camera must be turned on.
- If you are going to call into a Zoom club meeting, the club moderator and student representative(s) must receive an email requesting this at least one hour prior to the club Zoom meeting.
- Students may *not* share any link with anyone else aside from students enrolled at The Ursuline School.
- Students must comply with all of the expectations and regulations listed in the Student/Parent handbook.
- Etiquette and appropriate behavior are mandates for any club Zoom meeting.
