Start Time	Time Allocated	Person Submitting	Topic	Details:	Discussion Notes:
7:00	5	Brian	One-to-One Update on MacBooks	Current Status	Devices are in and getting set-up. Some kinks have been worked out so they are runnning smoothly. Hope is to have them available for students mid-December.
7:05	10	Greg	Schoology Update	Current Training Done What is left for Training	Elementary Teachers received Level 1-Level 3 training and currently have all the training supported by Schoology. Any additional training at this point is Secondary Teachers received Level 1 and Level 2, there is still an opportunity to choose a topic for the secondary to learn for Level 3 training.
7:15	10	Mary	Technology Resource Page	Current Structure of Page Content on the Page Suggestions	Working to create a technology resource page for parent and students. There are a few documents waiting for approval. *translated to spanish.
7:25	5	Brian	What happening in teachers for technology	How's it going?	For the secondary, it seems to be going well. It is a struggle on at home days. It doesn't really have anything to do with technology. Once we are 1:1 with students the technology barrier of doing their work will be removed. Is there somewhere to house the techology infomation that is shared by coaches for staff to refrence later? Teams. Thanks Tech Team for your Support!!!
