

Solebury School Community Commitment

- I recognize that I am part of an interdependent community and that each member's actions, mine included, can impact the welfare of all.
- I will do my part to help limit the spread of COVID-19 by making my own health and safety and that of other community members a priority.
- I will abide by all School expectations and policies, including the COVID-19 sections of the Solebury and Dormitory Handbooks, and will encourage fellow members of the community to do the same.
- I understand that the School may amend, change, or enact new policies, and I will keep myself informed of and follow any new or amended policies.
- I understand that failure to adhere to these policies, including the proper wearing of masks, will be met with more severe consequences as we enter this challenging period of the pandemic:
 - After two documented instances of COVID-related infractions, I will meet with the head of school to address my behavior. I will sign a behavioral contract acknowledging my past behavior, my present and full understanding of Solebury's protocols, and my immediate and future commitment to consistent adherence to said protocols.
 - Upon two additional documented instances of COVID-related infractions, I understand that I will be required to return home for a minimum of two weeks.

Transitional Period

- I will complete a home quarantine 14 days prior to on-campus interactions. This includes strict physical distancing, consistent mask-wearing, avoiding unnecessary travel, and refraining from indoor social gatherings. I understand that the Health Office will provide more specific guidelines, and I agree to follow them.
- I will arrive on campus symptom-free and follow the School's protocols for submitting a negative COVID-19 test.

Health and Hygiene

- I will maintain, whenever feasible, a distance of six feet from others.
- I will cover my nose and mouth with a mask in all shared community and public spaces, and when I am within six feet of someone (with the sole exception of my roommate, with whom it may not always be possible to maintain such distance at all times).
- I will participate in our community's mandatory COVID-19 testing, symptom tracking, and contact tracing protocols, and will use the School's designated tools to report this in a timely manner. I will be truthful in such reporting.
 - I agree to comply with data collection protocols the School may adapt to enable contact tracing, including using electronic devices to collect proximity data to other school community members.
- If I have any symptoms or am sick, I will immediately contact the health office in order to prevent the spread of disease.
- I will follow and practice community hygiene protocols for handwashing, sanitization, and surface cleaning.
- If I test positive for COVID-19 and am required to isolate, or I learn that I have come into close contact with someone who has tested positive or is a person under investigation and am required to quarantine, I will follow Solebury School's instructions. This may include remaining in an isolation unit or returning home for a designated number of days.

Residential and Campus Life

- I will follow directional signs on pathways and in the dining hall, dormitories, and academic buildings.
- I will follow community guidelines for meal service and disposal.
- I will observe physical distancing within dining halls and all dining service protocols.
- I will follow community guidelines for off-campus travel, meal delivery, and campus visitors. I agree not to host or visit another student in a campus room.
- I will use the designated bathroom assigned to me and will abide by protocols Solebury establishes for hygiene in the use of shared bathrooms.

By signing below, I promise to adhere to the practices in public and private, whether on campus or off while School is in session, and I agree to being removed from campus or subject to disciplinary action if I am found in violation of these standards. Additionally, I acknowledge that during this global pandemic, attending School may pose a risk of infection regardless of measures taken by Solebury.

Parent / Guardian Community Expectations: Agreement for Community Health and Shared Responsibility

I understand and will support Solebury's expectation that my child will adhere to the above expectations and standards of behavior. I also understand that failure to adhere to this agreement or the expectations and policies contained in the Solebury and the Dormitory Handbook may result in disciplinary action and/or removal from campus.
