## Hitting the ground running.

The first day of school is here and the excitement of the teachers and staff awaiting your student's arrival is evident. With so much preparation and hard work involved over the summer, each school is alive with an energy that will only increase as students make their way back into the classroom. We are ready to see them, hear all about their summer adventures and begin the 2019-2020 school year on a productive and positive note.

We have more resources than ever to help you navigate the school year giving staff, students and parents the peace of mind to make for an efficient learning environment. We're here to help set students up for success and can't wait to see everyone's smiling faces on Wednesday!

*"We must be willing to step into the lives of children and make a difference, while continuing to nurture a culture that builds trusting relationships."*

## NEW BUS TECHNOLOGY

### Our buses just got smarter.

Equipped with new intelligence, staff can now communicate more effectively with bus drivers, track bus times/stops and verify speeds, enhancing the safety of your student's commute. Plus, the new Transportation Inquiry tool through WebQuery gives you access to your bus number, estimated pick up time, distance to school and estimated arrival time home... all at the click of a button. Be more prepared and more aware, [check out WebQuery today!](#)

## IGNITE DAVIE

IGNITE DAVIE is a collaborative community initiative designed to:

- **Develop** a well-trained and educated workforce
- **Raise** the educational attainment of Davie County residents
- **Assure** all eligible high school graduates earn a college credential

**IGNITE DAVIE** will invest in our students by paying tuition, required fees and up to \$250 per semester for text books for every eligible Davie student who attends DCCC full time.

**IGNITE DAVIE** is NOT based on academic merit or financial need. It is “place-based” and is open to students who reside and graduate in Davie County.

**IGNITE DAVIE** will help our students pursue a certificate, degree or diploma without incurring debt, so our students will be better educated and prepared to join the workforce of the future.
