

Communication October 23, 2020

Good evening DCS Family,

Our message this evening comes to you in a video from Superintendent Jeff Wallace, with an update and reminder that elementary students will begin Plan A on this coming Monday, October 26th. This means all elementary students, aside from DCS Virtual students, will be in school buildings for in-person learning Monday, Tuesday, Thursday and Friday. Wednesday is still a remote learning day for everyone. Again, this schedule for elementary students begins on Monday, October 26th. Superintendent Jeff Wallace has more to share with you in the video, which is available on our website and in the email accompanying this message. Thank you for your ongoing support as we continue to work to meet the needs of every child.
