COMMUNITY
EDUCATION

OUR VISION

Faribault Community Education promises to enrich the lives of students, families and community members by facilitating learning opportunities from birth through adulthood.

OUR MISSION

Achieve equity in Faribault by building supportive relationships and offering high quality opportunities responsive to the needs of all community members.

STRATEGIES

1. Support students in the development of 21st century skills to build a well-informed community prepared for the challenges of a rapidly changing world.
2. Provide pathways for our families to thrive through education, advocacy, and civic empowerment.
3. Strengthen partnerships with all community members and organizations to provide a full-service approach.
4. Identify and utilize strategic funding opportunities to support the mission of Faribault Community Education.
5. Build trust by providing resources reflective of community need.
6. Implement innovative creative strategies to engage community.
7. Recruit and retain diverse and talented employees reflective of our community.
8. Nurture pride in our community by putting our best Falcon foot forward.

Get Tech Smart

Computers & Digital Technology

SIMPLIFY YOUR PHOTOS, VIDEOS & DIGITAL LIFE!

Are you overwhelmed with your photos, both printed and digital? Do you have videos you haven't seen in years? We will assess your photo situation and cover your specific questions. You will learn to use a simple photo system and put it into action where you will begin to organize, tag, share or tell stories using your own digital photos. See how easy it is to find any photo in seconds, get tips about cloud storage, discuss options for digital photo estate planning and get steps for saving photos and files from your devices. A computer, iPad, Smartphone or other device with your photos is required.

Minnesota Afterschool Advance

Look for the Minnesota Afterschool Advance (MAA) logo in this catalog next to activities that are eligible for financial assistance from MAA!

How do you apply for this assistance?

You can get up to 75% off certain Community Ed and other activities in Faribault through MAA. To get this discount, first apply to MAA at www.mnafterschool.org/apply to confirm your eligibility, and then MAA will send you instructions for how to register and pay your discounted rate. To be eligible, your household income must be \$33,500 or less in the current year and previous year.

How does MAA work?

MAA provides this discount by using the K-12 Education Tax Credit. When you register for an activity and pay your discounted price (the amount not covered by the Tax Credit), MAA pays the rest in the form of a no-interest advance. When you file your taxes, the government repays the advance directly to MAA using the Tax Credit dollars, so you don't have to repay the advance out of pocket.

Prepare for the Future

ACT COLLEGE PREP COURSE - IN PERSON

Advantage Educational Programs gives students the option of preparing for the ACT exam in two different ways: the In-School ACT Preparatory Course or the Online ACT Preparatory Course. Both courses are designed for students who want to maximize their ACT exam score, as well as those who feel uneasy about their test-taking skills or who have taken the exam and aren't satisfied with their results.

The In-School ACT Prep Course consists of four, three-hour classes that meet one day each week at one of our many school locations. The course includes diagnostic testing, instruction in time management, overcoming test anxiety, science reasoning, English strategies and review, essay writing, reading comprehension, and math strategies and review. Students enrolled in these classes not only benefit from personal instruction provided by our experienced instructors, but also have free access to our online course and may repeat the course online at no charge.

Faribault Education Center

Instructor: Gary Capmbell

Dates TBD | Saturdays 9-12:00 p.m.

\$150 per person includes class materials

ACT College Prep Course - Online

The Online ACT Prep Course is an excellent alternative for any student unable to attend in-school classes or a student preferring to prepare for the ACT exam on their own and study at their desired pace. Once enrolled, students are sent an access code for their class via email and can begin preparing on or after the starting date of December 13 - July 17.

Online

Instructor: Gary Campbell

Fee \$60

For further information, please call Advantage Educational Programs at 612-222-5108, or visit their website at www.AdvantagePrep.net

*Please Note - The state of Minnesota mandates that all high schools administer an in-house ACT exam to all students of the junior class each year. All juniors will take the ACT exam at Faribault High School on TBD.

WELCOME

Early childhood programs offer Faribault families a variety of programs and services that ensure families are informed and supported. We understand the importance of learning in the early years and the impact early experiences have on future success in school and life. Our program is built around core values that our staff strive to infuse into all of our connections with children and families. We invite you to find a place for your family in our early childhood programs.

Parents as Partners

We believe that parent involvement is key to ensuring children's success. We know that parents are children's first and most important teachers. Whether you are joining us as a parent of an infant at Baby Stop, with your child at Early Childhood Family Education classes, or as a parent of a Falcon's Nest Preschool child we value you as a partner in your child's learning.

Early Childhood Parent Advisory and Connections Committee works with early childhood staff to engage our community in meaningful work around our youngest learners. If you are interested in joining, please contact the Early Learning Coordinator.

Falcon's Nest Four Year Old Preschool is a nine-month program that gives students opportunities to meet and play with other children while learning important Kindergarten skills in a play-based classroom setting. Instruction is aligned with Minnesota Early Childhood Indicators of Progress for four-year olds. Beginning math and literacy skills are introduced using the Our World of Learning (OWL) curriculum. Children learn how to problem-solve and navigate emotions with guidance from adults trained in a proactive social-emotional curricular model.

Early Childhood Special Education Program (ECSE)

Faribault Public School's concern for children doesn't begin in kindergarten and end at graduation. Our teachers are on hand to work with children who need additional developmental and educational help from birth through age 21. This program is designed to meet the developmental needs of our youngest learners. **Eligible children are those with developmental delays or with a certain diagnosed physical or mental conditions or disorders that results in a delay.**

help me

Infant and Toddler

Early Intervention services for children birth to three years old are provided within the child's natural environments. These "Routines-Based Interventions" are based on the child's daily lives and are guided by your family's priorities. ECSE teachers will provide coaching to parents and caregivers to help promote a child's development. Families are coached in strategies to help improve developmental areas such as cognition and communication, as well as social, motor, and self-help skills.

Preschool Special Education

Our program strives to help young children interact successfully with friends and family at home, in the community, and at school. To achieve this goal, the ECSE staff work as partners with the parents and teachers.

Faribault Public Schools provides a continuum of special education and related services depending on each student's unique special education needs and the goals determined by the student's Individual Education Plan (IEP). Services are provided in the least restrictive environment which is appropriate for the individual student.

SCREEN AT 3

Minnesota law requires all children to be screened prior to school enrollment. Age **three** is the recommended age for this health and developmental screening.

3 Reasons to Screen at age 3:

1. Early screening can help set your child up for success in school.
2. Any health or learning concerns can be found earlier and help provided sooner.
3. Because screening is **FREE**, it's easy and it's good for your child!

**Screening is preferred at three, but can be done at four or five*

Early Childhood Screening helps:

1. You find out how your child is doing
2. Connect you with early childhood programs
3. Answer your parenting questions

At your child's screening appointment, we will check your child's:

- vision and hearing
- growth and development
- immunizations and family history

Early Childhood Family Education

What is ECFE?

Early Childhood Family Education (ECFE) recognizes that parents are their child's first teacher and provides resources and support for parents of children from birth to kindergarten. ECFE program offers a variety of classes for families to attend. Classes range from one-time events to weekly classes that vary in length depending on the age of the children attending.

Infant and Baby Options

ECFE classes for new parents are offered in collaboration with Rice County Public Health and Allina Health. Parents and caregivers can ask questions about development and share concerns, do weight and growth checks, have expert advice from lactation consultants and nurses while meeting other new parents.

Toddler, Preschool, and Mixed Age Classes

Each session offers a variety of classes to meet the needs of families and young learners. We are in the process of mapping out safe, healthy procedures to protect our staff and community members, while still offering quality programming for our youngest families. Classes are currently offered with smaller capacities have options for virtual partnerships. The Incident Command Center and early childhood site team are working continuously to adapt to necessary changes in plans. Class schedules and enrollment opportunities are available on Faribault Public School's website under McKinley and ECFE.

Classroom opportunities will be available at the FEC and include Parent-child Interaction Time as well as Children's Activity Time. Parent Education components will be offered in both virtual and in-person settings, while adhering to specific health and safety measures put in place. Parents and staff will be required to wear masks while participating in ECFE classes and events, but children five and under will not be required to wear a mask in programming, although encouraged. The FEC is located at 340 9th Ave SW- attached to the High School.

We can't wait to meet your family and support you in your parenting journey!

A TYPICAL CLASS INCLUDES:

Parent-Child Interaction Time

Where parent and child together enjoy a classroom filled with developmentally appropriate learning activities.

1

Parent Education Time

Relevant, effective education and support with a group facilitator that encourages a healthy environment for the growth and development of families.

2

Children's Activity Time

During parent education time, children explore, gain independence and practice social skills while under the supervision of a licensed teacher and a paraprofessional.

WELCOME TO DRIVER EDUCATION

THE BASICS

- **Students may enroll at 14 years of age, but they must be 15 to take the permit test.**
- This course consists of the state-required 30 hours of classroom instruction and six hours of Behind-the-Wheel. The classroom prepares students for the written permit test. Upon completion of the classroom and obtaining a driver's permit, the Driver Education Coordinator schedules Behind-the-Wheel after students have passed the permit test. The Behind-the-Wheel component prepares students for the road test.
- A student is required to have their permit for six months and be 16 years of age before they are eligible to take the road test for their driver's license.

COST

- Driver Education costs are \$155 for 10 classroom days and \$240 for six hours of Behind-the-Wheel
- The cost for taking classroom elsewhere and taking six hours of Behind-the-Wheel sessions with Faribault Community Education is \$300
- **Money will be forfeited for:**
 - Discipline reasons, or failure to complete the requirements of the course
 - Missing two or more days of class
- **If you fail to attend the class you are registered for:**
 - A drop/add fee of \$50 will be assessed to register for another class
 - If money is refunded, \$50 will be subtracted from the registration fee

TWO WAYS TO REGISTER FOR DRIVER EDUCATION:

1. Visit **faribault.ce.eleyo.com** and register online
2. Go to the Faribault Public Schools District Office at **710 17th Street SW** and register in person.

Community Education Policies and Information

General Information

The Community Education classes are open to any interested person. See the course listing for time, date and location. District 656 will not deny any person the opportunity to participating in any program on the basis of race, color, creed, religion, national origin, sex, age, marital status, status with regard to public assistance or disability. Families and school-age children are encouraged to enroll in any classes which are appropriate for their skill level and maturity.

Inclement Weather

When bad weather or other emergencies cause cancellation of the regular day school program, Community Education activities scheduled during the day, after school or evening are also cancelled. Because inclement weather is unpredictable and difficult to plan around, class sessions cancelled due to bad weather may not be refunded or rescheduled.

Learners with Disabilities

You are invited to participate in the classes and activities in this catalog. We will make every effort to provide the accommodations necessary to help make your Community Education experience enjoyable. Accommodation requests are needed two weeks prior to class start date.

Contact the Community Education office at 333-6011 to request assistance.

Handicapped Accessibility

If handicapped accessibility information is required, please call Community Education at 333-6011. We will make every effort to provide information to you as requested.

Refund Policy

Community Education reserves the right to cancel any activity due to insufficient enrollment. When an activity is canceled, Community Education will make every effort to contact registrants 2 days before the scheduled start of the activity. Complete refunds are given when this occurs. Persons needing to withdraw their registration must do so no later than five business days before the activity is scheduled to start.

A \$5.00 per class service fee will be deducted from each refund request. Please remember, if you are unable to attend an activity, you may send someone in your place. ABSOLUTELY no refunds are given to those persons withdrawing less than five business days before the start of an activity. No refunds are given for trips. No exceptions.

Payment Collections

When you provide a check as payment, you authorize Faribault Public Schools either to use information from your check to make a onetime electronic fund transfer from your account or to process the payment as a check. When we use information from your check to make an electronic fund transfer, funds may be withdrawn from your account as soon as the same day you make your payment, and you will not receive your check back from your financial institution.

Registration Information

You may register in person, by mail or online at www.faribault.ce.eleyo.com or by phone. Please note that all registrations must include payment. We accept cash, personal checks, Visa, MasterCard & debit cards.

Enrollment

When registering for a class, you may sign up yourself and one other family. Enrollment for most classes is limited, therefore, priority for admittance is given in order the registrations are received.

Withdrawals & Additions

Community Education reserves the right to withdraw a course due to lack of enrollment or loss of suitable facilities.

CLASS SUGGESTIONS and TEACHERS WANTED!

To offer comment on current course offerings, to share new class ideas for future offerings, curriculum or instructor resources, please contact Iliana Pinon at 333-6011.

Photo Disclaimer

Community Education may want to photograph, videotape or interview program participants for use in publications. The pictures may be of groups or individual snapshots. If you do not want your photograph used or if you do not want your child's photograph used, please contact the Community Education office at 333-6011.

Non-endorsement Policy

Faribault Community Education contracts with specialists in their fields who are interested in presenting classes in their areas of expertise to the community. We do not endorse the opinions or business affiliations of the instructors.

Disclaimer

Fitness courses can be strenuous. By enrolling in these courses you indicate that you have no physical conditions or health history that would make your participation hazardous to your health.

Information

All questions should be directed to Community Education Staff at 333-6011.

Strategic Plan 2020

The Faribault Public Schools Strategic Plan 2020 is a guiding document created by staff and community stakeholders to help the school district successfully serve the needs of our community. The Strategic Plan is reviewed and refined regularly to reflect on progress made and address changing needs.

MISSION STATEMENT

Faribault Public Schools provides a high-quality and equitable education that nurtures, inspires, challenges, and empowers all students to engage and grow as learners and citizens.

CORE VALUES

Integrity: We align our actions and words with our mission.

Respect: We value ourselves and each other across all differences.

Excellence: We commit to continuous learning and improvement.

Adaptability: We engage in flexible, continuous, and purposeful change based on data.

Responsibility: We use our human, financial, and physical resources in support of our mission.

Engagement: We act with values-driven purpose to achieve our mission.

Collaboration: We leverage resources and talents among all stakeholders as a way to advance our mission.

STRATEGIES

Student-Centered Learning

We will address individual student learning in innovative and challenging ways.

Equity

We will commit to a high-quality education for every student.

Mental Health and Safety

We will ensure our schools focus on the social and emotional well-being and safety of students and staff.

School Climate

We will foster unity, respect, and connectedness within our schools.

Family and Community Engagement

We will engage families and the community to help our students grow as learners and citizens.
