

# CONSTRUCTION NOTICE

## Water Main Installation

### Farmington Avenue, West Hartford

Beginning the week of **January 3, 2021**, the **Metropolitan District (MDC)**, and their contractor, **Ludlow Construction**, will be starting work to install a new water main in Farmington Avenue.

The new 24-inch diameter water main will replace old, existing, infrastructure on Farmington Avenue from Trout Brook Drive to Walden Street. The initial work will take place at night over the winter months between South Main Street and Walden Street. Once complete (est. April 2021), the next phase of work will begin from Trout Brook Drive to South Main Street. The entire project is anticipated to be completed by the fall of 2021.

Between January and April, work hours will be **Sunday night through Thursday morning, 12:00 AM to 10:00 AM** while working from South Main Street to Walden Street. Work hours from April to October will be **Monday through Friday, 7:00 AM to 4:00 PM** while working from Trout Brook Drive to South Main Street.

Access to local and through traffic will be maintained. Parking may be restricted to accommodate the work zone and construction equipment. For your safety, please adhere to all posted signage.

Schedules are subject to change based on weather conditions and unforeseen construction activities. MDC Staff, Contractors, and Consultants must be properly identified and show ID upon request.
