If you need more information about how to obtain your student’s ID number contact your current school or call the TPS Enrollment Center at 918-746-7500 or email: enroll@tulaschools.org
- The district determines available spaces for transfers using capacity, forecast, and allocations.
- An electronic lottery matching process is used to select students for each grade level with space available using a quadrant-based system.
- 9th grade is the entry point, but students may apply for any seats available at the 10th, 11th, and 12th grade.
- Required documents are, copies of:
 1. The guardian’s state issued ID
 2. The guardian’s proof of residency
 3. The student’s birth certificate and immunization records. **The enrollment team can assist you if you have special circumstances, please call us at 918-746-7500 or email us at enroll@tulaschools.org for more information. Documents should be attached to the application. *If the student is a current Tulsa Public Schools’ student a birth certificate is not needed.***
- All students may submit applications for up to six schools including neighborhood, charter, and magnet schools. It is important to rank your schools with the most desired school as your first choice and so on. You do not need to select six schools. If you want to remain at your current neighborhood, charter or magnet school you do not need to apply as you will have a guaranteed seat.
- Students will be auto accepted at their highest ranked matched school and placed on the waitlist for higher ranked non-matched schools.
- Out-of-district applicants will not be admitted through the magnet school’s standard lottery or admission selection process. They will only be admitted using principal discretion seats (if available) and only after the principal has used the discretionary slots to admit any remaining qualified, in-district students. Detailed information on this process is outlines in district regulation 2206-R2.
- Applications must be submitted online by the deadline to be eligible for consideration. The online system will notify you via email when the application has been submitted. If you do not have access to email or need assistance, please call 918-746-7500 or contact your current school.
