Please keep all of these intentions in your daily prayers:

For our Pastor's Intentions:

- * For the sick and suffering of the parish; for those mourning the death of a loved one.
- * For our young parish missionary disciples and for the formation of a young adult group at Blessed Trinity.
- * For everyone affected by the Coronavirus and that we find a cure for it.

For our Parish Intentions:

- * For a renewed sense of evangelization among our parishioners so that our mission, to Bring Christ to all, may be fulfilled.
- * For the young adults to recognize the importance of receiving the sacrament of matrimony and having Christ as the center of their union.
- * For couples preparing to receive the sacrament of matrimony, and for those recently married. May their union with Christ continue to bless their lives.

For the Pope's Intentions: We pray that by the virtue of baptism, the laity, especially women, may participate more in areas of responsibility in the Church

Catholic citizenship & your vote

We have a dual heritage as both faithful Catholics and American citizens. As Catholics, our baptismal commitment to bear public witness to the values of Jesus Christ requires our active participation in the democratic life of our nation. As Americans, we have a serious moral obligation to vote. This brief insert is intended as a starting point to help us respond to our choices in the current political landscape.

There are many issues before us ... ★ ★ ★ ★ ★

The Right to Life and Dignity of the Human Person

Innocent human life is destroyed by abortion, euthanasia, "fertility treatments" such as in-vitro fertilization, experimentation using stem cells from human embryos, and cloning to manufacture human body parts. Catholic teaching about the sanctity of human life also leads us to oppose the death penalty, genocide, torture, unjust wars, and economic policies that ignore the needs of the poor and vulnerable.

Call to Family, Community, and Participation

The family, which emerges from marriage between a man and a woman, is the original and basic unit of society. Social and economic policies should work to strengthen the family rather than weaken it.

Rights and Responsibilities

Every human being has the right to life and to religious freedom. Everyone has a right to refuse to participate in actions contrary to one's religious beliefs and to share and defend one's creed and moral principles in the public forum. Everyone has the right and duty to participate fully in all aspects of life: political, social, cultural, and economic.

Option for the Poor and Vulnerable

We must have special concern and charity toward the unborn, persons with disabilities, the dying, refugees, long-term unemployed, prisoners, and all who are marginalized in our nation and beyond. Today, the situation of immigrant workers is especially urgent.

Dignity of Work and Rights of Workers

Economic justice includes the opportunity for dignified work at wages sufficient to support a family, workplace safety, and the right to take time for religious observances. Workers also have the duty to provide a fair day's work for a fair day's pay.

Solidarity

Loving our neighbor has global dimensions and requires us to eradicate racism and address the extreme poverty and disease plaguing so much of the world. We are called to welcome the stranger among us, including immigrants seeking work, a safe home, education for their children, and a decent life for their families. We are called to promote peace and pursue justice.

Caring for God's Creation

As stewards, not owners, of the earth, people have an obligation to cherish and care for the environment. The earth yields forth many resources needed for human flourishing, especially energy and the capacity to produce food. These precious resources must be used prudently, fairly, safely, and with a constant concern for future generations.

EUCARISTIC ADORATION
