Gracious and Holy Father, grant us the intellect to understand You, reason to discern You, diligence to seek You, wisdom to find You, a spirit to know You and a heart to meditate on You.

May our ears hear You, may our eyes behold You and may our tongues proclaim You.

Give us grace that our way of life may be pleasing to You, that we may have the patience to wait for You and the perseverance to look for You.

Grant us a perfect end, Your holy presence, a blessed resurrection and life everlasting. We ask this through Jesus Christ our Lord.  
Amen.

## A praying Community

**Please keep all of these intentions in your daily prayers:**

### **For our Pastor's Intentions:**

- \* For the sick and suffering of the parish; for those mourning the death of a loved one.
- \* For our young parish missionary disciples and for the formation of a young adult group at Blessed Trinity.
- \* For everyone affected by the Coronavirus and that we find a cure for it.

### **For our Parish Intentions:**

- \* For a renewed sense of evangelization among our parishioners so that our mission, to Bring Christ to all, may be fulfilled.
- \* For the young adults to recognize the importance of receiving the sacrament of matrimony and having Christ as the center of their union.
- \* For couples preparing to receive the sacrament of matrimony, and for those recently married. May their union with Christ continue to bless their lives.

**For the Pope's Intentions:** We pray that today's families may be accompanied with love, respect and guidance.

**For the sick and elderly of the parish,** Bill B., Joan A., Zach K., Anthony P., Hermes H., Xonia G., Ronald H, David T., Valentin P, Olga Maria B., Juan B., Angel C., Juan Andres A, Miguel N., Margarita D., Pat R., Esther C., Gabriel R & Nilda F.

**For the eternal repose of the recently deceased members of our parish especially** Blanca Medero, Teresita Obermann and Manuel Rodriguez.

It is important during this difficult time of "Social Distancing", that we stay in contact, we still need each other and need to keep our momentum and hope on our mission of Bringing Christ to All.

Take the time today to reach out, contact someone you haven't spoken to in a while, and make a difference in their lives!

We are all responsible for sharing God's love!

Stay close regardless of distance!

Es importante durante este momento difícil de "distanciamiento social", que nos mantengamos en contacto, todavía nos necesitamos los unos a los otros y debemos mantener nuestro impulso y esperanza en nuestra misión de llevar a Cristo a todos.

Dedique tiempo hoy para ponerse en contacto con una amistad con quien no se ha comunicado en largo tiempo, haga una diferencia en su vida!

Todos somos responsables de compartir el amor de Dios!

Mantenganse cerca aun la distancia!

Dear Parish family,

We continue to pray together, as a parish family, for so many families that have been directly affected by the Coronavirus. United in hope, asking that our heavenly Father bring the needed healing and mercy to so many.

These continue to be very difficult times for everyone, and we are blessed that we have been able to continue to hold our celebration of Masses daily.

As time goes by, we have a tendency to become more relaxed with the situation, however the threat of the virus is still very real. I ask that you please diligently follow the rules and regulations established for the safety of all. We must stay vigilant to ensure that we are all protected as much as possible.

- If you feel sick or have cold like symptoms, we ask that you stay home and please take care of yourself
- Also if you have been exposed to someone that has Covid-19, you should be tested and quarantined until you receive negative results
- Please wash your hands regularly and sanitize them upon entering the church and as often as necessary
- Masks must be worn at all times, properly worn, covering nose and mouth
- Please follow exit instructions given by welcome ministers and do not congregate outside
- All pews are sanitized before and after every mass. Please sit in pews indicated and do not move around once you have taken a seat.
- Do not leave any gloves or tissues on the pews

It is important that we are conscious and follow these measures, and that we take good care of ourselves, our families and our neighbors, so we can stop the spread of this terrible virus.

We thank you all for your support and diligence. I am very appreciative of the dedication and hard work from our Welcome Ministers and all involved in the disinfecting and virtual transmission of the mass. Each of these measures keeps all of us safe so that we may continue to Bring Christ to all. Let us be supportive and respectful of their hard work and desire to keep us all safe.

## The Vocation Cup

**Week of 7/26—8/1**  
**The Caudle family**

Every parish strives to strengthen its bonds by mutually sharing hopes, fears, joys and sorrows!

Due to the pandemic, the vocation cup is not physically moving from house to house. However you can still sign up to commit to praying for vocations at home for a week.

Please sign up to host the Vocation Cup for a week in your home! As we focus our parish prayer and family prayer on interceding for vocations to the priesthood, religious life, and added personal intentions.

Please contact Lourdes 305-302-6990 or [loucaudle@aol.com](mailto:loucaudle@aol.com) to schedule a week of preference.

## Archdiocese of Miami

*We know that all things work for good for those who love God, who are called according to his purpose. (Roman 8:28)*

Do you really trust God? Do you believe that all things work for good? Faith is a challenge for everyone at times. Putting our trust in God and surrendering to His will in everything we do means that God's plan for our lives may be different than our plan. When one door closes, another one opens. Learn to love God and trust him. His plan is always better.

---

*Ya sabemos que todo contribuye para bien de los que aman a Dios, de aquellos que han sido llamados por él según su designio salvador. (Romano 8:28)*

¿Realmente confías en Dios? ¿Crees que todas las cosas funcionan para el bien? La fe es un desafío para todos a veces. Poner nuestra confianza en Dios y entregarnos a Su voluntad en todo lo que hacemos, significa que el plan de Dios para nuestra vida puede ser diferente que nuestro plan. Cuando una puerta se cierra, otra se abre. Aprende a amar a Dios y a confiar en Él. Su plan siempre es mejor.

## Ideas for Giving and Moving Forward in 2020

The Archdiocese of Miami and Blessed Trinity Catholic Church and School continue to move forward with its ministerial work. Today, we find ourselves in a time of twin crises: a global public health crisis and an economic crisis. Yet, around the world, we are united in common purpose of caring for the sick, pursuing a cure, and lifting the human spirit. As a people of charity, despite our own fears and anxieties, we must stand in solidarity with all our brothers and sisters who are infected or affected. In response to the current situation, Congress recently enacted several tax law changes. We have created this page to offer resources to help you with your tax planning and to offer some ideas for you to consider if you are thinking about making a gift in support of our mission during this time.

### **SECURE Act**

In December, Congress passed SECURE Act, limiting stretch payments to IRA beneficiaries to 10 years. If you planned to benefit your children with your IRA, your heirs will now pay higher taxes on the inheritance they receive from you. When you revisit your estate plan, consider funding a testamentary charitable remainder unitrust with your IRA balance. This plan can provide lifetime payments to your heirs and spread out the taxes on their inheritance.

### **CARES Act**

A new deduction for charitable donors who do not itemize when filing their tax returns. If you do not itemize but make a gift to charity, you will be allowed to take a special tax deduction, up to \$300, to reduce your tax liability.

An increase in the deduction limit up to 100% of a donor's annual income for cash gifts (previously the deduction was capped at 60% of annual income). If you make a gift you will be able to deduct more this year.

Registration for religious education 2020-2021 is open.

We will be holding our classes virtually this school year.

Please call Olga Venegas at the Parish Office for more information or to pick up a registration form.

Dear Parents and Guardians,

I pray this email finds you well and safe together with your beautiful families. I hope that you are enjoying summer vacation to the fullest extent possible at this time.

As you know, COVID-19 has presented us with many interesting challenges for the 2020-2021 school year. Following CDC guidelines and recommendations, as well as the Archdiocesan Instructional Continuity Plan, we are looking at the best possible ways to reopen our campus. The safety of your children and families, as well as that of our faculty and staff is our priority.

A blueprint for the most effective model that will maximize the learning benefits for our students has been developed. Under our current plan, we are working **under the assumption** that at least for some part of the day, if not all, we will have students present at the school. We have also taken into consideration the fluid nature of this situation and the possibility of full virtual instruction. Thank you for completing the parent surveys at the end of the school year. We have reviewed your responses and have taken action in order to provide a more complete virtual learning experience for our students, should this be the primary method of instruction.

We will have the following procedures in place as we believe they will limit our vulnerability to unnecessary risk even though we recognize there are no guarantees, we have:

- \* Engaged the services of a professional cleaning company (<http://www.gocitywide.com/miami>). In addition to the daily cleaning after our students are gone, we will have a Custodial Day Porter to maintain the restrooms and classrooms during the day. This will include but is not limited to, daily electrostatic disinfection.
- \* Ordered individual student and teacher safety shields for our desks and tables to help minimize the spread. Students a staff will be required to wear masks/shields for their protection and that of others. We are developing ways to create smaller groups in order to provide for maximum distancing as well.
- \* Purchased GreenTech Air purifiers for each room on the school and church campus [pureAir on Vimeo](#).
- \* Our students' movement from room to room will be limited in order to help minimize any spread of the virus.
- \* Lunch will be eaten in the classrooms.

As stated before, we want to keep the risk of contamination to a bare minimum. Therefore, we will maintain a closed campus. Parents and visitors will not have access to the school buildings. They will be admitted to the school office, only with an appointment. All other communications will be made via email, telephone, or Zoom meeting. This, unfortunately, will preclude the students from receiving any type of therapy, speech, occupational or otherwise during school hours or on school grounds.

We are committed to keeping our students' excitement and passion for learning alive. Creating experiences both academically and spiritually that have always and will continue to define our BT community. We will serve to be the leaders of faith and knowledge to those precious minds and tender souls that each family has entrusted us with. Each experience will be filled with the joy of learning, the inquiry of the unknown and the faith that together with Christ we can achieve all things.

With God's help and the protection of our Blessed Mother, we will have a healthy school year where our students will flourish academically, grow spiritually, and develop socially. I am confident that He hears our prayers and will answer them.

Yours in Christ,

Mrs. Susy Del Riego
