For our Pastor's Intentions:

- * Let us pray in reparation for the sins committed by Cardinals, Bishops, Priests and Deacons against the Lord's commandments, as well as for healing for the victims of sin.
- * That the Holy Spirit may give us the gift of worship and more people discover the gift of music and join our choirs.
- * For the youth of our parish.

For our Parish Intentions: For the Holy Spirit to fall fresh upon our parishioners and for the constant renewal of our parish.

For the Pope's Intentions: For doctors and their humanitarian collaborators in war zones, who risk their lives to save the lives of others.

For the sick and elderly of the parish especially Andrew Lazara's continuous healing

For the eternal repose of the recently deceased members of our parish family, especially Maria Dreize

A message from the desk of our principal, Mrs. Perez

Dear Blessed Trinity Family,

As Easter draws near, may your hearts be filled with His love, mercy, and joy!

I wanted to take a moment to share some great news! For the last three months, a team from Blessed Trinity School has been engaged in a multi-stage application, interview, and selection process with the University of Notre Dame. It gives me great honor to announce that our team comprised of Mr. Cambert, Mrs. Dietz, and Mrs. Kenna, has been selected to become Notre Dame STEM Trustey Fellows. They have been designated as one of the nine teams that will engage in this opportunity, chosen from over 40 teams of applicants in the nation. I am extremely excited by the amazing opportunities for growth that this will bring for each of them, our students, and our school. I am proud to say that our little school has been recognized once again!

This STEM initiative is in line with our goals to advance the creation of 21st century learners who will be innovative leaders in our global community. We've already experienced success implementing monthly STREAM activities across all grade levels and will now integrate these hands-on, minds-on **Science, Technology, Religion, Engineering, Arts, and Math** concepts and strategies throughout our everyday curriculum. Through this fellowship, our team will create a school-wide blueprint and collaborate with all faculty to promote inquiry and creativity at all levels.

Please pray for our team and this initiative which will lead to the expansion of the vision for our school, as Blessed Trinity sails full STREAM ahead.

Notre Dame Trustey Family STEM Teaching Fellows Press Release

Blessed Trinity Catholic School is proud to announce the selection of 3 teachers; Silvia Kenna, Melissa Dietz, and Gabriel Cambert; as Fellows in the 2019 cohort of the Notre Dame Trustey Family STEM Teaching Fellows. These teachers were selected from across the nation as one of 9 schools in the program's fifth cohort and will join over 120 teachers from the program's first four cohorts.

The ND Trustey Family STEM Teaching Fellows is a competitive, three summer, two school year program that seeks to improve STEM teaching and learning for all students. Fellows will attend three Summer Institutes at the University of Notre Dame, beginning in July 2019. Throughout the school year they will receive content specific coaching for their instructional practice and targeted support as they expand access to and opportunities for STEM learning in their school.

The Trustey Family STEM Teaching Fellows is sponsored by the University of Notre Dame Center for STEM Education, housed in the Institute for Educational Initiatives at the University of Notre Dame. The Center for STEM Education's mission seeks to help all students, especially those in Catholic schools, engage and excel in the STEM disciplines through research and the translation of research into practice.

April is Child Abuse Prevention Month.

Since 2002, the Catholic Church in the U.S.A. has followed a set of rules initiated by the bishops of the country and approved by the Vatican for dealing with sexual abuse of minors by priest or deacons: The Charter for the Protection of

Children and Young People. In the Archdiocese of Miami, the policy includes vulnerable adults.

Every U.S. diocese/eparchy must meet a specific set of requirements. We will share a couple of them each week throughout April during Child Abuse Prevention Month. The Archdiocese of Miami is in compliance and has been each of the 17 years since the inception of the Charter.

- To establish a review board of at least five persons, mostly members of laity, who counsel the bishop on allegations and review local policies dealing with sexual abuse of minors.
- To protect the rights of the accusers and of the accused.

Abril es el mes de la prevención del abuso infantil.

Desde 2002, la Iglesia Católica en los Estados Unidos ha seguido un conjunto de reglas creadas por los obispos del país y aprobadas por el Vaticano para enfrentar el abuso sexual de menores por parte de sacerdotes o diáconos: Estatuto para la protección de niños y jóvenes de los obispos de los EE.UU.

Cada diócesis / eparquía en los Estados Unidos debe cumplir con unos requisitos específicos. Vamos a compartir un par de ellos cada semana durante el mes de abril, el mes de prevención del abuso infantil. La Arquidiócesis de Miami está en cumplimiento y ha estado en cumplimiento cada uno de los 17 años desde la creación de estas normas.

- Establecer una junta de asesores de al menos cinco personas, en su mayoría laicos, que aconsejen al obispo sobre las denuncias y revisen las políticas locales relacionadas con el abuso sexual de menores.
- Proteger los derechos de los acusadores y de los acusados.

THANK YOU!!!!
