

MUSIC

Children from across Key Stage 2 were given the opportunity to travel to Chichester Festival Theatre to listen to the BBC Ten Classical Pieces and participate in a junk workshop to create a musical instrument. This saw the children produce a range of guitars and percussion instruments from the equipment provided.

Following this, they then went on to the theatre where they participated in an exciting musical adventure with the BBC Concert Orchestra. The children were introduced to trolls in Peer Gynt and explored Mars with Holst and even went to the Rodeo. Along the way they also had to help Emily Presto, a young composer create a unique piece for the orchestra to perform.

Why not have a go at our quiz below and see if you can answer some of the questions.

What type of people might you find in a rodeo?

What is Stravinsky's animal called and where do you think it comes from?
