[What are the eligibility requirements?](#)

Per U.S. Department of Education guidance, only students meeting the general eligibility criteria for federal (Title IV) student aid can qualify for emergency grant funding. LSU Health Shreveport will give priority to students who:

- has a valid 2019-2020 Free Application for Federal Student Aid (FAFSA) on file at LSU Health Shreveport and,
- met general federal (Title IV) student aid requirements and,
- were enrolled at LSU Health Shreveport for at least half-time status during the Spring 2020 Semester when the disruption occurred and will continue enrollment to the Summer 2020 or Fall 2020 terms.

[What are the allowable expenses?](#)

Expenses related to the disruption of campus operations due to the coronavirus include additional technology/course costs for remote learning, additional related living expenses, and additional related personal/health expenses.

[Will emergency relief fund reduce my current or future financial aid award?](#)

No. CARE Act Emergency Relief Fund awards will have no impact on your federal or institutional student aid awards.

[How long will it take to receive my award?](#)

Other institutions are reporting a 2 week turnaround time for receiving funds after submitting the school's application to the federal government. While waiting for funds to arrive, the Student Financial Aid Office will start collecting, reviewing requests, and making awards. This procedure will allow us to quickly release awards once the school is allowed to drawdown funds.

[How much can I receive?](#)

Awards will be made on a case-by-case basis and can vary among students.

[What happens if I have an outstanding balance on my LSU Health Shreveport student account?](#)

The funds will post to your LSU Health Shreveport student account for tracking and reporting purposes and will not offset any outstanding charges on your student account. These awards are for emergency expenses and cannot be used to pay institutional charges, even if you make the request.

[How will I receive my funds?](#)

The Student Financial Office will add the award to the student system. The Bursar Office will post the award to your LSU Health Shreveport student account and create a refund/overpay amount.

The Bursar's Office will transfer the refund/overpay amount to BankMobile for disbursement.

All applications are reviewed by the CARES Act Committee and approved based on COVID related expenses as outlined on the website.

CONCLUSION:

This report documents the status of CARES Act Higher Education Emergency Relief Funds (HEERF) as of June 9, 2020. Additional reports will be posted on LSUHSC-S website every 45 days.
