*Up to 1.0 Fine Arts and 2.0 World Language can be shifted to Elective Credit as a Personalized Pathway Requirement – that is, if the student has a specific pathway post high school that needs credits in another category. This must be documented by the student in their High School and Beyond Plan and requires an additional form to be completed and added to the student's cumulative file.

Non-Credit Graduation Requirements include: Meeting the ELA and Math Standards, WA History (aka PNW History), & Completing the High School and Beyond Plan
