

THE BOYS' LATIN SCHOOL OF MARYLAND

REOPENING PLAN UPDATE

AUGUST 13, 2020

As we continue to contend with the complications presented around current public health guidance, most notably the requirement for quarantine in the face of a positive COVID – 19 diagnosis; we have decided to amend the calendar for the start of our school year and extend our staggered re-opening for students.

- All students will have in-person orientation on-campus during the week beginning August 31, 2020
- During the week beginning September 8, lower school students in grades K – 2 will have in-person instruction on-campus while grades 3 – 12 will attend classes virtually.
- During the week beginning September 14, all lower school students will have in-person instruction on-campus, while students in grades 6 – 12 will rotate between on-campus instruction and distance learning. Please know that our goal is to provide some stability and allow for parent planning; however, the environment and conditions require that we continue to evaluate the schedule and make changes as necessary.

Staggering the return to in-person learning will provide members of our community the ability to familiarize themselves with the School's safety protocols and procedures and, as a result, bring about greater long-term prospects for a successful and prolonged, in-person return. Families continue to have the option to choose to have their sons participate in the educational program either virtually or on-campus.

Additionally, the Maryland Interscholastic Athletic Association (MIAA) released a statement today that they have voted to postpone all fall athletic competitions and championships. We are committed to providing an athletic experience for our student-athletes and will communicate within the next few weeks regarding specific plans for our teams.

MONDAY, 8/31/2020
