

Food Service welcomes every student to enjoy SAFE school meals.

Meals are prepared with the utmost of care to ensure each child's safety. The Food Service department and employees take food safety and the health of all students and staff seriously. We continue to follow all health department food and COVID-19 guidelines including:

- All employees wear masks
- Gloves are worn and changed frequently
- Proper handwashing followed
- Acrylic shields used to ensure social distancing for the cashier and in food preparation areas
- High touch areas disinfected regularly
- All side dishes individually packaged
- Entrees served to students upon request
- Disposable compostable trays, individually wrapped silverware and individual condiments utilized
- Cashiers utilize software to charge elementary students and secondary students will use ID cards with scanners instead of pin pads
