

Wanting to learn how to use Microsoft Learning Tools in your classroom?

1 hour of ESE professional development, instructor led via virtual platform

Register on PLN today!

March 8, 2021 5:00-6:00 p.m.

Section #106028

April 15, 2021 5:00-6:00 p.m.

Section #106029

May 11, 2021 5:00-6:00 p.m.

Section #106030

#30086 ESE: You mean I already have that in my classroom? Using the Assistive Technology that already exists in Microsoft Learning Tools

Participants will understand the features of the Microsoft Learning Tools: *Immersive Reader, Dictation, Writing Tools, Office Lens, Math Tool, and Accessibility Checker*. They will have time to practice using each accessibility tool and provided any needed coaching in order to collaborate and problem-solve use with students with disabilities and as Universal Design for Learning in their own classroom.
