

# FINE ARTS

ROCKFORD PUBLIC SCHOOLS

## Updated Fine Arts Guidelines

### General Guidelines

- No more than 50 individuals may be in one space at any time.
- Masks must be worn inside.
- Masks may be removed by students and staff when outside and socially distanced.
- Maintain social distancing during rehearsal/class.
- Only share equipment that can be safely sanitized between students.
  - Do not share wind instruments, music, scripts, or music stands.

### Sanitization Guidelines

- Students and staff should sanitize hands at the start and end of each class period.
- All shared equipment should be sanitized after it is used and before it is stored.
- If sharing equipment/materials, divide it by cohorts.
  - Create class sets of equipment to be used by the same class until the unit is over.
  - Allow the class sets to be sanitized and go through an incubation period over the weekend before the class set is used with a different cohort.

### Indoor Rehearsal Guidelines

- Indoor rehearsal is permitted within the following guidelines:
  - Maintain 6 feet side to side between singers/instrumentalists (9 feet for trombone front to back)
  - Wear masks while singing/playing \*wind instruments wear masks with slits\*
  - Instruments should be fitted with bell covers \*except flute/recorder\*.
  - Rehearsal time should be no more than 30 minutes at the beginning of class to allow for adequate air exchange between rehearsal groups.
  - Optimize ventilation by opening doors and windows when possible.
- Empty water keys into the garbage can, sink, or disposable pads.

### Theatre & Dance Specific Guidelines

- Block the actors/dancers to allow for 6 feet social distancing.
- Wear masks while rehearsing/performing inside.
- Indoor rehearsal time should be no more than 30 minutes at the beginning of class to allow for adequate air exchange between rehearsal groups.
