Class Hours

Classes are 8:00 AM – 2:45 PM, except during Term III when some clinical time may be held during evenings or weekends.

Attendance Policy

The Board of Registration in Nursing requires a total of 1080 hours of class for practical nursing programs, 945 hours must be nursing classes and 540 hours of the 945 hours must be clinical laboratory experience. The McCann Practical Nursing Program consists of more than the minimum number of required hours and recognizes that illness and unexpected emergencies do occur. Students may miss no more than eighteen (18) hours of classroom time and no more than 18 hours of clinical time for the entire program. Attendance, including tardiness and leaving early, is calculated on a cumulative basis. There is no opportunity to make up missed class time. Students are responsible for all material presented in classes and clinical experiences from which they are absent.

Completion date of 11/9/2021 includes time allowed for any make-up days due to inclement weather.
