# MESSAGE FROM MR. MORTON

As the 2020-21 school year began in August, there were many concerns about the ability to not only open, but to have many of the sports and activities that play a major role in the life of every school. The loss of in-person instruction and spring activities last year created a void in the life of our school that can never be replaced. Our seniors suffered the most, losing key events that traditionally mark the end of one phase and beginning a new chapter. As an Archdiocesan school, we were determined to do everything within our power to avoid more loss created by the pandemic.

This school year has looked vastly different from any year since our opening in 1950. A school filled with rich traditions and community support, Bishop McGuinness Catholic High School has leaned on those traditions and supportive families to sustain us through the school year.

As the calendar turns to a new year, we begin with renewed hope and aspirations. Our teachers, students and staff members have met the demands created by COVID-19. They have done everything we have asked, and with God's help we are prepared to meet any new challenges that lie ahead. Speaking on behalf of our teachers, students, coaches and sponsors, I want to say thank you for supporting our endeavors and making the sacrifices required to allow us to engage the contest being played tonight.

I ask that you continue to pray daily for God's intercession, protecting each of us from the grip of COVID-19, and healing for those who have suffered the loss of a loved one to the pandemic.

**GO IRISH!**

Yours in Christ,

David Morton  
Principal + President

# MESSAGE FROM ATHLETIC DIRECTOR

Welcome to McCarthy Gymnasium, and Bishop McGuinness Catholic High School. On behalf of the coaches, student athletes, and my fellow faculty and staff, thank you for your continued support during such a different time.

BMCHS takes COVID-19 seriously, and we are dedicated to providing a safe environment for extracurricular activities. You may notice some changes around our facility, and we ask that you comply with our requests to wear a mask, limit attendance, and socially distance by family while supporting our student athletes from the stands.

We are still proud of our tradition of excellence in athletics as well as our role in teaching our school's faith-based mission...to develop people for others. We have been members of the OSSAA since 1968, and have been lucky enough to bring home 98 state championships over the past three decades.

Please support our safety standards, our mission and our community in the stands by cheering positively for the Irish rather than against our guests. Remember these sportsmanship guidelines courtesy of the National Federation of High School Sports:

- Show respect for self and others at all times.
- Show respect for the officials. Good sportsmanship implies the willingness to accept and abide by the decisions of the officials.
- Know, understand and appreciate the rules of the contest. Good sportsmanship suggests the importance of conforming to the spirit as well as the letter of the rules.
- Maintain self-control at all times. Prevent the desire to win from overcoming rational behavior.
- Recognize and appreciate skill in performance regardless of team affiliation.

We love you, our McGuinness,

a noble guide through time and tide,  
held high for all to see.

Hail, Hail McGuinness

here's our salute in fond tribute,  
all hail McGuinness High.

We praise you, our McGuinness,  
if you win or lose we'll see,  
your banner fly, McGuinness High,  
in Irish victory.

Hail, Hail McGuinness  
march onward! is our cry,  
here's our salute in fond tribute,  
all hail McGuinness High.

# GOSPEL VALUE: PERSEVERANCE

We have all heard the saying, "if at first you don't succeed, try, try again." My father advised his children that the 'impossible takes just a little more time.' Living within the confines of the pandemic means we have to persevere. Only by adhering to the medical advice can we slow, and even stop, COVID-19. Then we have to work at putting life's pieces back together bit by bit. Patience and persistence will help us discover the "window that has opened" when the door shut!

Perseverance means we don't quit in the face of obstacles, but we search out ways to go around or even through the challenge. The scriptures remind us to "Seek and you will find; knock and the door will be opened." It is through perseverance that the man who had a surprise guest come to his home late at night with nothing to serve, got what he needed by keeping after a neighbor who had already locked his door and was ready for bed.

We must be hopeful, persistent, dedicated, and a little stubborn to live out our gospel value this year. May you be successful in your efforts!

– Sister Stephanie Sanchez

## A PRAYER FOR BISHOP MCGUINNESS

O God, giver of every blessing, through your son, Jesus Christ, our Savior and Lord, You call us to be your people and gather us into your Church.

In Blessed Pier Giorgio Frassati, You give us an example of a faithful follower of Christ. You made him a servant of the poor, a young person who knew the joy of leading others to you. By the help of his prayers, make Bishop McGuinness High School a place of blessing, a school in your service. Guide the administration, inspire the teachers, protect and help our students. Return the good our benefactors have done. Teach us, Lord God, the gospel of your truth and never let us be far from you.

We make this prayer with Mary, the Mother of God, and our patron, Blessed Pier Giorgio, in the name of your son, Jesus Christ, who lives and reigns with you in the unity of the Holy Spirit, One God, Forever and ever. Amen.
