\*In 2023, Brisbane Grammar School will introduce a 1-1 tablet program for all students in Year 5. The timing aligns with the proposed completion of our new and innovative STEAM Precinct which will see rich integration between various disciplines, including technology. The 1-1 tablet program will provide a seamless digital experience from Year 5 through to Year 12, allowing students to develop critical technological and collaborative skills, digital literacies, and the opportunity to engage in rich and diverse learning experiences. The tablet program will provide a streamlined transition between school and home learning, providing equity and consistency for each Brisbane Grammar School student. The BGS tablet will also replace the need for families to provide a separate device at home for homework and assignments. The 1-1 program will attract a new Technology Levy for Years 5 and 6, the amount of which will be confirmed in due course. At the end of Year 6, students will keep their BGS tablet and receive a new device at the commencement of Year 7.

### Needs-based Bursary Donation

Voluntary bursary fund donation for needs-based bursaries	\$1,000
The donation of monies to the School's Bursary Fund is voluntary and immensely appreciated. Funds raised helps to provide bursaries for students in financial need. If you wish to support this cause, please include a donation with your first fee payment. If you do not wish to make the voluntary contribution, simply pay the school fee only. Thank you in advance for kindly supporting bursaries at BGS.	

The School provides a range of options for the payment of fees. You may pay your fees by cheque or credit card (Visa, MasterCard or American Express) or via the Internet. Please refer to your fee statement for details concerning methods of payment.

Note: The School reserves the right to cancel/suspend an enrolment if fees are not paid as and when they fall due, unless prior arrangements have been agreed in writing.

## 2021 Fee Payment Policy Information - Full Fee-Paying Overseas Students

1. Individuals who are party to a Student Enrolment Agreement with the School accept full financial responsibility and are jointly and severally liable for the student's tuition fees and any other costs associated with the student's enrolment at the School. This means that each individual who signs the Student Enrolment Agreement accepts financial responsibility and is personally liable for the full amount owed to the School. Where more than one individual signs the Student Enrolment Agreement accepting financial responsibility (for example, where both parents sign) the School may at its absolute discretion elect to pursue any signatory for the full amount owed.

Where the School is provided with a Court Order which provides for an alternate arrangement (as between the parents) for payment of the student's tuition fees and any other costs associated with the student's enrolment at the School, the School may act on the Court Order at its absolute discretion, to the extent permitted by law and will act in accordance with the Court Order as required by law.

2. Fees must be paid in full by 15th February each year.
3. Receipts are not issued for payment of fee accounts. They are available online from MyGrammar.
4. Where fees are not paid by the due date they will be considered overdue and will be subject to an Overdue Account Fee.

Should the fee payment be dishonoured, a Dishonour Fee will apply. If the dishonour is not rectified within a week, the full amount will be considered overdue and (5) below will apply. The normal debt collection process will also commence.

5. Overdue accounts will result in a review of the student's continuing enrolment. The School may, at its absolute discretion, terminate/suspend a student's enrolment where any tuition fees and charges levied by the School, including any fees and charges required to be paid prior to the student's commencement at the School, are overdue and remain unpaid. The rights and remedies of the School in this regard will not be prejudiced or affected by any extensions or other arrangements previously granted to the parents.
6. A student will not be permitted to attend cocurricular or sporting excursions, tours or camps unless all amounts owing to the School (including the costs associated with the excursion, tour or camp) have been paid in full by the date(s) any such amounts are required to be paid.
7. Legal costs incurred in the collection of outstanding fees and charges will be recoverable in addition to Overdue Account Fees. Any legal costs and any Overdue Account Fees will be recorded as separate items in fee account statements.
