

8th Grade Registration for TMS for next school year 2021-22

All current 7th grade students attending Timberline Middle School and living within the TMS boundary will automatically be registered to start school in the fall 2021. There is no registration paperwork to turn in to the middle school office.

8th Grade Courses - Required classes are all automatically scheduled - no need to make a selection

- Language Arts (full year) Required
- Social Studies (full year) Required
- Math (full year) Required
- Science (full year) Required
- PE or Dance (1 semester) Required but also Choice, see question in survey to request choice
- Elective Choices are requested in the Forms Survey

Registration Forms Survey: To request elective courses and PE class options, *students* must submit the Timberline 8th Grade Elective Registration Forms Survey by January 22 at 4 PM. The survey is open for students to complete starting January 19th and time will be given in students' Social Studies class to complete and submit the survey. Only students will have access to the survey through their lwsd email credentials; parents/guardians cannot submit a survey for their child. Students and parents can discuss electives and use the Registration Planning Sheet (link below) to decide elective courses to then request electives on the survey. A student can only submit a survey once so please have a final decision for elective classes before submitting the survey. Link to survey:

<https://forms.office.com/Pages/ResponsePage.aspx?id=P2fUH5bflUaGOKHYjEyF1y9N90hWOjBlmVXLX0b87VpURUdOVjRIMDExWTYyV1EyQIRUUVIEMTNNWS4u>

If Forms Survey is not submitted by January 22nd, students will default to elective classes available and assigned by the computer or counselor.
