Annual Updates

Make your selection by answering the questions after clicking on that form. You must make a selection for each of your students (additional students can be found by clicking on the blue bar at the top of your Parent Portal window. Click on your next student's name and follow the same process.)

If you select to return in-seat during the hybrid model, you will be required to acknowledge that you have read the updated Family Guide and agree to perform daily health screenings, use of mask and other safety rules set forth by the District. You will also be asked about whether you will use transportation, if your student is eligible to ride the bus (*reminder—*

though we strive for as much physical distancing as possible, maintaining social distancing is not always possible on the bus. We will continue to keep windows open—weather permitting—and utilize cleaning, hand sanitizer, masks and assigned seats as safety protocols on all buses.)

There is no need to rush your selection this morning. You have until Tuesday, January 12 at 5pm to make your selection.
