DAILY ATTENDANCE

- Students will submit attendance by answering the Google Form question that will be E-mailed each morning.
- This is **VERY IMPORTANT**. If you do not complete the form, you will be marked absent and this will count toward your total number of absences for the semester.
- The attendance form is open until 11:59 P.M. on the day that it is sent out. You may complete it at any time, but the **EARLIER THE BETTER.** :)
- You only need to complete the form once per day.
- If you are sick or if you have circumstances at home that prevent you from completing your work, **PLEASE have your grown-up reach out to your teachers to let them know.**

GOOGLE MEET DAYS (MONDAY/THURSDAY)

- Students are expected to keep up with their classes during Remote Learning. That means attending Google Meets, participating remotely in small group and paired activities if possible, contacting their teacher(s) via E-mail with questions and concerns, submitting all homework in a timely manner as requested by the teacher, and completing quizzes and tests via Canvas at the teacher's discretion/request. Students should check both E-mail and Canvas on a daily basis.
- Students are expected to log in to Google Meets at the assigned times. If a student is not able to log on, communication with the teacher is expected.
- Students will exhibit the same behavior while on Google Meets as they would in the classroom--disruptions will not be tolerated and will result in disciplinary action.

REMOTE INSTRUCTION DAYS (TUESDAY/FRIDAY)

The background of the slide is white and decorated with several hand-drawn paw prints in shades of red and grey. Each paw print has a small heart shape in its center, also drawn in a matching color. The paw prints are scattered across the page, some overlapping the text.

- These days are reserved for working on any classwork, homework, or projects that your teachers may have assigned.
- Make sure that you follow your teachers' instructions for accessing assignments--they will be located in Canvas.
- On these days, you can still reach out to your teachers if you have any questions or problems. E-mail is the best way to do this.

FEEDBACK/SUPPORT (WEDNESDAY)

- Remember to follow your teachers' instructions regarding assignment deadlines/due dates.
- On these days, you can still reach out to your teachers if you have any questions or problems. E-mail is the best way to do this. Teacher office hours on Wednesdays are 12:30-3:30 P.M.
