

## LeyVa Sports Donation

LeyVa Middle School does not charge a participation fee to play on our school sports teams. Instead, we rely on the fundraising and donation efforts of our students, families and staff to pay for coaches, bus transportation, game officials and equipment. As a result, we ask all of our student athletes and their families to kindly make a \$25 donation per sport to the athletic program. If a check is your method of payment, make checks payable to LeyVa Middle School with “sports donation” noted. Please be aware that this is a non-refundable donation.

Your support allows us to offer an extensive after school sports program. Your generosity does not go unnoticed. If this request places a financial burden on your family, please make Jim Sherman, Principal or Kelly Hodgkin, Assistant Principal aware. They can be reached at [jsherman@eesd.org](mailto:jsherman@eesd.org) or [khodgin@eesd.org](mailto:khodgin@eesd.org).

We encourage all students to participate in our sports program. It is a great way to make new friends and to create lifelong memories of your middle school experience. Please ask your PE teacher or team coach for more information.

Sincerely,

LeyVa Administration and Coaches
