PHILOSOPHY

The squash program at Trinity-Pawling encourages student-athletes of all abilities to become better players through skill development and by improving their mental understanding of the game. Our coaches emphasize the importance of playing with passion and good sportsmanship.

HISTORY

Our squash program dates back to 1961. The five international courts of the Rock Squash Courts were dedicated in 2000 and named after Alva Rock '59, who is a large supporter of the program at Trinity-Pawling. The program has earned several honors over the years. Most recently the 2016-2017 team came in 2nd in Division IV at Nationals.

LEAGUE

The Pride competes against some of the most challenging teams in the country: Avon, Berkshire, Brunswick, Canterbury, Choate, Hotchkiss, Kent, Millbrook, Rye Country Day School, Rye High School, Salisbury, Suffield, Taft, Westminster, and Williston. The Pride also plays in both High School Nationals and the New England Tournament.
