

SENIOR FINAL EXAM EXEMPTION POLICY

Spring 2021

Criteria for Senior final exam exemptions are listed below. However, students may elect to take their finals to improve a course grade even if the exemption criteria are met. Exemptions will be determined for each class separately. A student may obtain an exemption by meeting these requirements:

- ❖ Class average must be an 80 or above when averaging the third and fourth nine weeks' grades.
- ❖ A maximum of four tardies are allowed per class for both virtual or in person students.
- ❖ Any conduct grade of "U" will eliminate the exemption for that class, while any truancy or any disciplinary action that results in suspension (including in-school suspension, out of school suspension or DAEP) will automatically disqualify a student from all exemptions.
- ❖ Any truancy will eliminate the exemption for that class.
- ❖ Any student who engages in academic dishonesty will be disqualified from all exemptions.
- ❖ A student will be disqualified from exemptions if ALL detentions are not served by Saturday, May 15, 2021.
- ❖ All fines and fees (including textbooks) must be cleared before Friday, May 14, 2021.
