Perfect Attendance

This year has been crazy, but we have had some extraordinary students manage to get perfect attendance each month! This means they were not marked tardy or absent to any class (excused or unexcused). Certificates were emailed each month to students who achieved Perfect Attendance for that month. They also received some recognition in class and earned a raffle ticket to win a surprise gift!

78 Students received Perfect Attendance in September!

110 Students received Perfect Attendance in October!

179 Students received Perfect Attendance in November!

STAFF SPOTLIGHT

Mrs. Jarvis

My name is **Mrs. Jarvis**. I have lived in the High Desert since 1981 and I graduated from Apple Valley High School. I have a Bachelor's Degree and **three** teaching credentials.

I am a **CTE (Career Technical Education)** teacher and this is my **20th** year of teaching in the Victor Valley Union High School District. I spent 14 years teaching at Victor Valley High School and 5 years at Adelanto High School.

My main focus recently has been in CTE's **Art Media and Entertainment Sector** specifically in the **Design, Visual and Media Arts pathway** as well as the **Game Simulations pathway**. In the past, I have taught **Animation, Graphic Communications, Graphic Arts II, Video Game Design I & II, Intro to Computers, and Computer Applications**. This year at Lakeview, I am teaching **Animation I for 7th-8th grade** as well as **Graphic Communications** and **Graphic Arts II for 9th-12th grade**.

Courses

Design, Media and Visual Arts – HS students learn principles of design and create digital projects utilizing Adobe Animator, Illustrator, and Photoshop. They create animations, logos, posters, stickers, and more. The **advanced class** takes it further and transfers their designs to T-shirts, coffee mugs, and water bottles.

Animation I – MS students learn about Adobe Animate and gain experience with design software to create their own animations.

Lakeview Highlights
