2020 Equalization Study Results

This letter serves as notification of the results of Property Valuation and Review (PVR)'s 2020 equalization study. Every year we are required to certify the equalized education property value (EEPV or EEGL) and coefficient of dispersion (COD) for each Vermont town (32 V.S.A § 5406). This letter also communicates the Common Level of Appraisal (CLA) for your town and explains how it will impact your homestead and nonhomestead education tax rates.

| Education Grand List (from 411): | \$511,978,241 |
|--|------------------|
| Equalized Education Grand List (EEGL): | \$539,082,808 |
| Common Level of Appraisal (CLA): | 94.97% or 0.9497 |
| Coefficient of Dispersion (COD): | 12.28% |

For a copy of your town final computation sheet and certified sales report, please see:

tax.vermont.gov/municipalities/reports/equalization-study

The **education grand list** listed here is what was reported by your town to the state on the 411 form with your town's cable (if applicable) and tax increment financing (TIF) amounts (if any) included. This number represents the town's total property value that is subject to the education property tax (from the most recent grand list available) and serves as the numerator in the computation of the CLA. Please note: tax revenue from any TIF property value is subject to allocation (32 V.S.A. § 5404a).

The **equalized education grand list (EEGL)** represents PVR's statutorily-mandated estimate of total fair market value of the education grand list in your town and serves as the denominator in the computation of the CLA. To find out more about how the equalization study is conducted, how to read the certified sales report, and additional instructions on how to appeal your results, please see the "Introduction to Vermont's Equalization Study" document at:

tax.vermont.gov/municipalities/reports/equalization-study

The **common level of appraisal (CLA)** is determined by dividing the education grand list by the equalized education grand list (32 V.S.A. § 5401). A number over 100% indicates that property in your town is generally listed for more than its fair market value. A number less than 100% indicates that

property is generally listed for less than its fair market value. A CLA below 85% or over 115% necessitates a reappraisal (32 V.S.A § 4041a). The homestead and nonhomestead tax rates in your town will be adjusted by your town's CLA (32 V.S.A § 5402). The nonhomestead rate in your town will be the statewide nonhomestead rate divided by your CLA. The homestead rate will be the town homestead rate (which is determined by the per-pupil spending of any school district(s) to which your town belongs) divided by the CLA. A CLA greater than 100% will result in a downward adjustment of tax rates, and a CLA less than 100% will result in upward adjustment.

To get answers to many common questions about tax rates and how they are determined and to see how the current year property tax rates for your town were calculated, please see the department's education tax resources at:

tax.vermont.gov/education-tax-rates

The **coefficient of dispersion (COD)** is a measure of how fairly distributed the property tax is within your town. It is calculated as the average of the (absolute) difference of each sales ratio (list price divided by sales price) in the study from the median ratio. That result is then divided by the median ratio to get the COD, which is expressed as a percent (32 V.S.A. § 5401). A high COD means that within your town many taxpayers are paying more than their fair share and many are paying less than their fair share. A COD over 20% necessitates a reappraisal (32 V.S.A. § 4041a).

Appeals: A municipality may petition the director of Property Valuation and Review for a redetermination of its EEPV and/or COD (32 V.S.A § 5408). All petitions must be in writing and signed by the chair of the municipality's legislative body. Petitions should contain a plain statement of matters being appealed and a statement of the remedy being sought. Petitions must be received by PVR by the close of business on the 35th day after mailing of this letter. Additional instructions on appeals can be found in the "Introduction to Vermont's Equalization Study" document at:

## Why does Barre City have a higher homestead tax rate than Barre Town?

Barre City has a higher tax rate than Barre Town because Barre City has a lower Common Level of Appraisal (CLA). This is due to Barre Town's assessed home values being closer to market values than Barre City's assessed home values. Barre Town will soon have completed a reappraisal, resulting in assessed home values being nearly equivalent to market value. This will result in an anticipated 100% CLA for Barre Town this spring.

CLA exists to make sure that a Barre Town and Barre City homeowner pay the same amount of total property taxes if their homes have the same market value. Since Barre City has a lower CLA, its tax rate needs to be higher to reflect the true market value.

At the end of the day, both residents from Barre City and Barre Town that own an equally valued home, pay an equal amount of property taxes to the state.

Ms. Dawes advised that because of the current Articles of Agreement, the nomination petition deadline pushes printing of the ballots too late. Ms. Dawes requested that thought be given to amending the Articles of Agreement.

Discussion was held regarding whether or not an Annual Meeting is legally required. It was noted that statute does not require the meeting. If an Annual Meeting is not held, individuals will need to run for annually elected positions utilizing petitions. The positions would then be voted on by Australian ballot. The assembly agreed that continuing to hold an Annual Meeting is the preferred method. Brief discussion was held regarding holding the Annual Meeting the week prior to the Town Meeting Day election. It was noted that the week before the Town Meeting Day election is a school vacation week and may result in a lower turnout of Board Members.

Mr. Koch thanked Mr. Pandolfo for his service, as teacher, Curriculum Director and Superintendent. Mr. Pandolfo will be missed, and the assembly wishes him well in his future endeavors.
