

***Great minds don't think or learn alike!*** Assets School serves gifted and capable students specializing in those with dyslexia and other language-based learning differences. We provide a strength-based program, complemented by outreach and training, that empowers students to become effective learners and confident self-advocates.

***Illumination***, our annual fundraising event, will be held virtually on Saturday, April 17, 2021 with a theme of 'Stars and Stripes - Honoring Assets' Frontline Heroes.' This year we salute our military families, frontline families, Assets teachers and past teachers of Academy of the Pacific (AOP) as we celebrate the beginning of Assets' 65th year of transforming lives and the heritage of AOP.

Our 2021 virtual program will include emcees, special guests, musical performances by students/alumni, online auction and auctioneer, Eric Schiff.

Due to the pandemic in 2020, we had to shift to our first-ever virtual event - and it was a success! We had over 200 people bidding on our upscale online auction offerings and would like to offer you the opportunity to donate to this year's event. The funds raised will go towards tuition assistance to help our families in greatest need. Your donation will create recognition, bring customers into your place of business, and may be tax deductible.

Items that have created a buzz in the past include:

- Jewelry and artwork valued at over \$100
- Rare and vintage bottles of wine
- Experiences such as hotel stays, golf, sailing, and other outdoor activities
- Dining gift certificates to hot restaurants
- Services such as auto detailing, photography sessions

Contact Linda Jameson Myers, Vice President of Advancement, at [lmeyers@assets-school.org](mailto:lmeyers@assets-school.org) or 808-440-3605 with event or donation questions.

Please take advantage of this opportunity at your earliest convenience by replying to the enclosed form. Your support changes the lives of children who learn differently by giving them an Assets education and providing tools to succeed in school and life.

Sincerely,
