PHYSICAL EDUCATION - Paul Goetz - Paul.Goetz@district196.org

Multiple studies show that academic success is associated with physical activity or fitness. Physical Education offers an enjoyable and effective way to improve skills and overall fitness, reduce fat and stress and increase energy levels and muscular strength.

Ninth grade course offerings in this department include:

- ✍ Strength Train/Conditioning 9
- ✍ Badminton
- ✍ Total Body Fitness
- ✍ Individual Sports

VISUAL ARTS - Scott Gustafson - Scott.Gustafson@district196.org

The world and how we look at things is evolving. Furthermore, students interested in careers in the creative sector such as advertising, architecture, engineering, interior design, sales, municipal planning, technology, business, as well as a host of art related careers such as photography, graphic design, and animation, need a solid art foundation to gain an understanding of design and techniques to be effective in those jobs. Ability in art, and specifically drawing, should not be a determining factor for you. Rekindle the creative feelings that you had when your first works of art were proudly displayed on the refrigerator door. Give art a chance to challenge your expressive needs and your creative mind. **All courses offered by this department satisfy the one course "Minnesota Arts Standard" requirement.**

- ✍ Introduction to 2D Art
- ✍ Graphic Design/Digital Art 1 & 2
- ✍ Drawing 1 & 2
