

Skyward Access Directions for Students

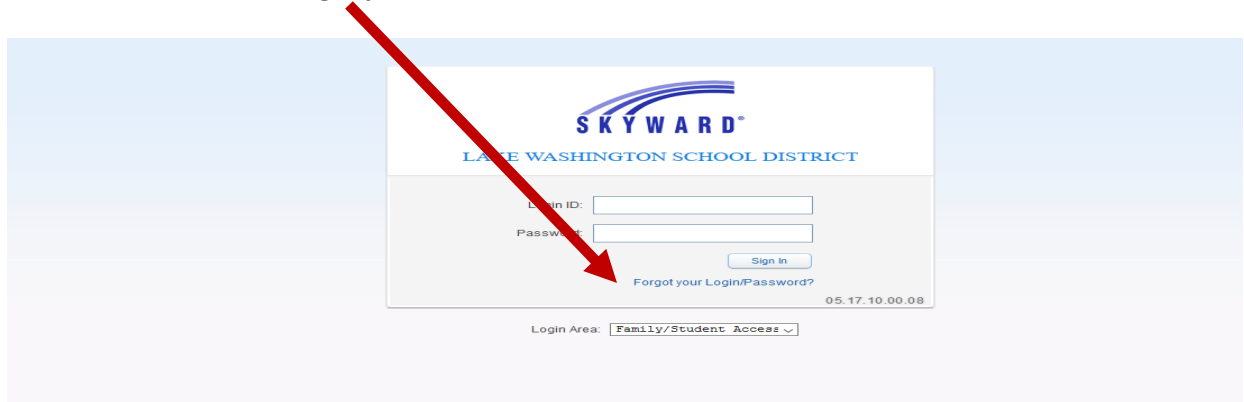

- Open the district page. Open the “Students and Families” pull down menu.
- Click the link in the pull down menu for “Students and Families”.

- Click the **green box** for Skyward Family Access.

- Click the blue “forgot password” choice. Get and follow re-set instructions from student e-mail.

- If the email doesn't show up search your entire mailbox for “password re-set” and it should show up
- The new password must not have any part of your name or previous or current password and be different from the one you use to log in to your laptop
