

Continuity of Learning Plan Revision Recommendation January 12, 2021

Metric for Returning to In-Person (Tracking from January 1, 2021)

Elementary Students and Middle School Students: The later of 7 consecutive days at the Wayne County 7-day trailing average at or below 9% or January 25, 2021.

High School Students: The later of 7 consecutive days at the Wayne County 7-day trailing average at or below 5% or January 25, 2021.

Regardless of this metric, all levels will provide an option for in-person schooling 21 days from the first day of vaccination availability for Southgate educators or March 1, 2021, whichever is earlier. Southgate Community School District will follow all state and local health department mandates for returning to school.

Metric for Staying In-Person

Case by case determination using the Wayne County School and District Spread Indicators and Risk Assessment and Southgate Community Schools school-associated case data. The Southgate Community School District will follow all state and local health department mandates for suspending in-person schooling options.

Modes of Instruction: Remote and virtual until the metric is reached. In-Person, Remote, and Virtual once the metric is reached.
