

Free or Reduced Tuition Application

Thank you for your interest in preschool for your child. To ensure that program expenses are met, the Brentwood Early Childhood Program is a tuition based program. For some families, tuition expenses cannot be met and for that reason we have developed a program to assist. The tuition of the program may be free or reduced if the family meets the criteria developed and described below. Application for free/reduced tuition does not guarantee acceptance or reduction of tuition. Decisions granting free and reduced tuition are at the discretion of the school district.
