2021-22 Wiseburn Extended
Day Program (Before and
After School Care - formerly
CDC)

Dear Prospective Parents/Guardians:

The Wiseburn Unified School District operates the Wiseburn Extended Day Program (EDP) that provides “Before and After-School” Programs for school aged students grades Transitional Kindergarten (TK)/Kindergarten – 8th grade, and Preschool Enrichment Programs for children ages 3-5. A web-based student application system (<https://wiseburn.schoolmint.net>) has been developed to assist with enrollment, district-wide tracking of open seats, and wait list priorities. The Wiseburn community has growing needs for TK/Kindergarten – 8th grade before and after school childcare. As a result, application and enrollment priorities have been identified to address these needs.

For the 2021-22 school year, admission priorities will be as follows:

Returning Students ~ Wiseburn Extended Day Program (formerly CDC) January 15-January 22, 2021

Families of students currently enrolled in the Wiseburn Extended Day Program (EDP), and their incoming siblings, will be given a priority window of January 15-22, 2021 to re-register for the 2021-22 Wiseburn EDP

Resident ‘New’ Students ~ Wiseburn Extended Day Program (formerly CDC) January 25-January 29, 2021

Wiseburn residents new to the EDP program will be given a priority application window of January 25-29, 2021

Other Interested Families ~ Wiseburn Extended Day Program (formerly CDC) February 1, 2021 ~

EDP open enrollment for other interested families will begin on February 1, 2021 and will be ongoing.

Although the Wiseburn Extended Day Program is not a required district program and is a separate fee-based parent funded program offered on the Wiseburn campuses, the district has responded to the community need and is doing its best to accommodate as many students as possible. Mark your calendars to ensure that you are accessing the web-based portal (<https://wiseburn.schoolmint.net>) during these important enrollment windows.

Sincerely,

Peggy Mazarella,
Director of Psychological Services
