

# Aerospace and Leadership Elective Courses

Offered by Delaware County Air Force Junior ROTC

## Fact Sheet for Students and Parents

- It's for everyone, not just for people with military interests!
- It's a citizenship- and character-building program chartered by Congress.
- It's aviation education, leadership- and team-building skills, and community service learning experiences every day in high school!
- IT'S FUN!
- Offers courses in the science and history of aviation, the exploration of space, global cultural studies, survival skills, leadership, citizenship, communication, wellness, college and career planning, precision military drill, etc.
- Available to students of eight Delaware County high schools.
- All courses receive elective credit in all eight participating schools.
- Qualifies for the Physical Education Waiver.
- All Cadets are issued the blue Air Force military uniform on loan at no cost which they wear once a week and conform to Air Force grooming and appearance standards.
- NOT an extension of the recruiting services of any branch of armed service.
- NOT directly connected with college- or university-level ROTC programs.
- NO REQUIREMENT to enter military service.
- Does NOT actively encourage any student to join military service.
- This will, of course, be a very unusual year due to COVID-19, but we will do our best to make it a good year! If conditions improve, we hope to eventually phase back in voluntary extracurricular activities such as the interscholastic drill team, compressed-air rifle marksmanship, model rocketry, community service projects, picnics, banquets, parades, sports days, annual military ball, and summer leadership school, etc.!
