

UNDERSTANDING MATH PATHWAYS

For Incoming 6th Graders

ZOOM WITH PARENT U!

5th grade families! Tune into one of these important sessions to learn about Middle and High School math pathways for your incoming 6th grader.

Leave knowing about:

- Considerations for the best option for your child
- How to qualify for each pathway
- Benefits of enrolling in accelerated mathematics
- Summer 2021 Jump Start Program

TUESDAY, JAN. 19
6 P.M.
