

MEET THE

Counselor

Ms. Cole

WELCOME

ALL ABOUT ME

I currently serve as a Professional School Counselor for the 1st and 2nd grade students at Stafford Elementary school. I previously served as a seventh grade English Language Arts and Reading teacher at Stafford Middle School. I hold a Master of Science degree in Management from Troy State University and a Bachelor of Arts degree from The Ohio State University, Columbus, Ohio. I plan to pursue my doctoral degree in the near future. I proudly served as a Commissioned Officer in the United States Air and am a member of Alpha Kappa Alpha Sorority. I am also proud to say that I was named the 2018-2019 Secondary Teacher of the Year. I'm always engaged and busy as a mother of three incredible, and "COLE blooded" kids.
