  3. Grade Level Funds: This is going to be postponed until after this year. We can discuss further in January.

### Principle Report:

Ms. Mayhugh was able to zoom in! She informed us that the school year has been off to a great start. We have a fantastic cleaning team. They conduct a deep cleaning daily. Two confirmed cases. About 100 students are currently online. Enrollment is full. We are still a closed campus until further notice.
