

VISION 2030

Vision 2030 Student Scorecard

College Ready | Career Ready | Life Ready

America's high schools have a profound responsibility to ensure that our nation's 14 million high school students are college-ready, career-ready and life-ready. Standardized test scores – traditionally used as the primary readiness indicator – do not always provide an accurate representation of our students' potential. Like the global economy, today's students are driven by ideas and innovations. They should not be reduced down to, or defined by, a single test score.

In 2018, Mansfield ISD launched the Student Scorecard using research-based metrics to more appropriately assess that students are college-ready, career-ready and life-ready. The student scorecard is designed to take the student on a journey of continuous development by combining technology and educator support to assist students with developing critical skills for success beyond high school. Only a handful of campuses and grade levels were chosen to begin this important work with a full launch expected to take place during the 2019-2020 school year.

College Readiness Metrics

The COLLEGE readiness indicators will enable students to track, measure and visualize their individualized progress in Academics, Standardized Testing and Additional College Criteria's for post-secondary success.

Career Readiness Metrics

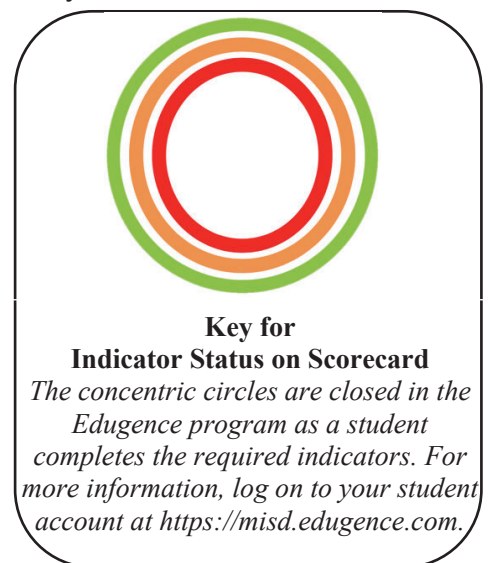

The CAREER readiness indicators are behavioral and experiential benchmarks designed to help students identify career-specific learning experiences. Progress towards Foundational skills, Communication skills and Preparation skills will ensure that students are prepared to become productive citizens.

Life Readiness Metrics

The LIFE readiness indicators are comprised of skills that will help students develop grit, perseverance and resiliency to tackle and achieve their goals by demonstrating personal actualization skills of self-awareness, self-management, social-awareness, responsible decision making, and relationship skills. Students can measure successful completion through Life Indicators, Leadership experiences and Personal Finance course completion.

Life Beyond High School

MISD is committed to inspiring and educating students to be productive citizens who: Are **Innovators** – students who are driven by ideas and inspired by innovations; Have a **Growth mindset** – students who are continuously improving and empowered to approach their future with integrity, resiliency, to dream big and to achieve big; and are **Ready** – students who are COLLEGE-ready, CAREER-ready and LIFE-ready in the present and in the future.

Vision 2030 Personalized Student Scorecard Access Instructions

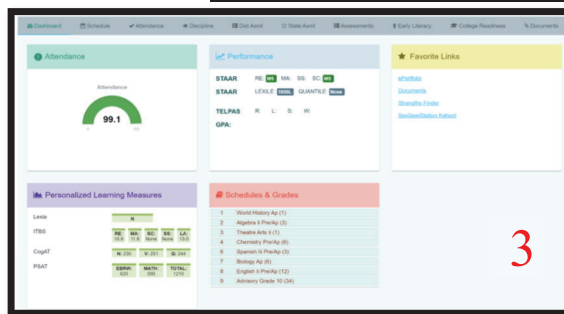

Parent Quick Guide

The Redefining Ready Personalized Student Scorecard is an interactive tool that allows parents to view their student's school-related achievements and progress. Parents can interact with various components of their student's profile to help support student achievement.

ACCESSING STUDENT SCORECARD REPORT VIA EDUGENCE

Go to <https://misd.edugence.com>

1. Use the same Username and Password that you use to login to Windows, Outlook, etc. (i.e., what is in MISD's Microsoft Active Directory).
2. Click the Login button.
3. The Edugence Dashboard will be the first screen to load.

THE STUDENT DASHBOARD

A student's profile displays a variety of information on different tiles that the District has selected. The Dashboard allows students to check their attendance, performance on assessments, schedules, and grades.

VIEWING THE STUDENT SCORECARD

4. On the left menu, click Scorecard.
5. The header includes concentric circles representing the completion of **College-Ready**, **Career-Ready**, and **Life-Ready** indicators. As student's meet CCL standards, the concentric circles close.
6. To view specific indicators in each category, select the appropriate tab and scroll down.

ACCESSING CANVAS FOR STUDENT SCORECARD COMPONENTS (8TH – 12TH ONLY)

Go to <https://mansfieldisd.instructure.com/login/canvas>

7. Log in and go to your Canvas "Dashboard"
8. Find the Vision 2030 Canvas Module
 - Complete the necessary modules to receive credit for the remaining scorecard indicators.

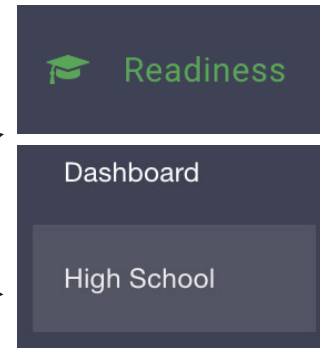

Please see your counselor if you have any questions about the modules.

Vision 2030 Student Scorecard

<https://misd.edugence.com>

1. Login using your active directory username and password.
2. Access the online student scorecard

- Go to the Dashboard setting
- Select "Readiness"
- Then Select "High School"

3. **Overview-** Student progress on Vision 2025 Scorecard
4. Itemized details can be evaluated for each of the three readiness indicators of **College, Career, and Life** by selecting the appropriate tab.
5. **Analytics-** Will allow you to drill down further.
6. **Students-** Once you select which area of the data you want to analyze; the student tab will allow you to pull up the names of each student for the requested areas.

Mansfield ISD Student Scorecard
