

SCHOOL SITE-SPECIFIC COVID-19 PREPAREDNESS PLAN SUMMARY

SCHOOL INFORMATION

Today's date (mm/dd/yy): 12/14/2020

School name: Lynbrook High School

School reopening date (mm/dd/yy): 12/11/2020

Indicate school setting: Elementary (TK-6th

Middle (6th-8th grades)

High (9th-12th grades)

grade) School/Program address:
1280 Johnson Avenue

District Office/Main Administration address (if applicable):
589 West Fremont Avenue

City: San Jose

City: Sunnyvale

Zip code: 95129

Zip code: 94087

COVID-19 Designee Name: Trudy Gross

Name of person completing form: Susan Rocha

Direct phone for person completing form: 408-522-2203

Direct email for form completer: susan_rocha@fuhsd.org

CAMPUS PHYSICAL SPACE

Students:

Staff:

1. Provide the current anticipated number of students/staff on campus daily: 0

0

35

2. Which grades are/will be open? TK K 1 2 3 4 5 6 7 8 9 10 11 12

3. How many individuals are expected to be on campus at any point in the coming month? 35

4. Provide the planned minimum distance between student desks: 6 feet

VOLUNTARY IMPLEMENTATION OF PRIORITY RECOMMENDATIONS

5. Describe site plans to minimize COVID-19 transmission in staff breakrooms:

Access to the staff break room is limited to 20% of posted capacity to ensure social distancing.

6. Describe any plans to assess potential outdoor learning spaces (e.g., outdoor seating and shade/protection from elements) and/or to move instruction outdoors:

Student cohorts will utilize indoor work spaces arranged with consideration for maximum physical distancing, following public health recommendations.

7. Describe any site plans to optimize indoor ventilation (e.g., opening operable windows, using high efficiency filters, etc.):

Assessment of room ventilation by our Facilities Department is underway, with older filters being removed and MERV 13 filters installed in all rooms and classrooms.

8. Describe any plans to facilitate routine testing of teachers and staff (e.g., by healthcare providers or at County testing sites):

The District is piggybacking on the SCCOE contract with Curative to implement routine testing for staff who are working on-site.

9. Describe any plans to resume in-person instruction in phases (e.g., elementary in month 1, middle school in month 2, etc.):

At this time, students will be invited back to campus for instructional support based on need. Our first priority will be to focus on students who have not been engaged in schooling through the remote learning environment. School site staff is looking through progress report grades and attendance records to help determine which students are most in need of additional support with their remote instruction. Consideration will also be given to students in special education whose individual education plans may necessitate in person support.

School Preparedness Plan to Meet County Guidance for COVID-19

Visitor Information

(POST ON WEBSITE AND AT ALL SCHOOL ENTRANCES)

VISITORS/VOLUNTEERS

The school allows only necessary visitors and volunteers on the campus and will limit the number of students and staff who come into contact with them.

FACE COVERINGS - We will support students and staff wearing masks by:

Face coverings are required for all individuals while on campus, at the following times: in-person pick-up and drop-off; arrival on campus; throughout the day, except while eating or drinking; travel around campus; and departure from campus. Staff who are working outdoors and maintaining at least 6 feet of social distancing may have their face covering off. Such persons must have a face covering with them at all times and must put it on if they are within 6 feet of others. Students without masks will be provided with a disposable one to wear while at school. Students who refuse to wear face coverings and do not have an exemption will be excluded from on-campus learning. Per SCCPHD guidelines, people who cannot put on or take off a face covering without assistance do not have to wear one. Visual reminders of face covering protocols will be posted around campus.

PHYSICAL DISTANCING - We will support physical distancing by:

This site will implement plans to ensure physical distancing, complying with the requirements laid out by the SCCPHD, including: spacing student desks at least six feet apart; keeping cohorts or class sizes as small as practicable; distancing teacher and staff desks at least six feet away from students' desks to minimize the risk of adult-to-child disease transmission. This site will design spaces with physical distancing in mind, which may include utilizing larger areas and one-way traffic flow in hallways. Students who need the close proximity of staff to participate in their cohort, including personal care needs, will be provided support with safety practices in place. Visual reminders of physical distancing will be posted around campus.

CLEANING & MAINTENANCE

We will support cleaning and maintenance of our campus by:

The District has established cleaning and disinfecting protocols that are implemented at all sites and include thoroughly and regularly cleaning high traffic areas and frequently disinfecting high-contact surfaces. The protocols incorporate standards for classrooms; food areas; restrooms; offices; general areas; and weight rooms, locker rooms, gyms and field houses. Staff are required to complete an online course for Insecticide Pest Management before returning to work on campus in order to utilize disinfecting wipes and other such disinfecting items.

HYGIENE - We will support routine and frequent handwashing by:

Students will be instructed to wash or sanitize their hands upon arrival on campus, during transitions between rooms, when using the restroom and at lunch.

- Hand sanitizer will be available throughout the school site.
- Sharing of supplies will be limited. Students are expected to bring their own supplies to campus.
- Visual reminders will be posted around campus.

ROUTINE TESTING - We will encourage and support staff testing by:

The District is piggybacking on the SCCOE contract with Curative to implement routine testing for staff who are working on-site.

- **Families are required to report known cases of COVID-19 in their household to the school immediately. The school will report all known COVID-19 cases to Santa Clara Public Health.**
