### MISSION

Our mission is to build the skills set of every student so that they are not afraid to tackle ambitious goals, always know that failure just means not YET, and instill an understanding of empathy towards others.

### TULSA EDUCARE IV – CELIA CLINTON

Located next to Celia Clinton Elementary School, this facility will serve 164 children and their families from 6 weeks through four years old.

### TWO-WAY DUAL LANGUAGE PROGRAM

Celia Clinton Elementary is the first neighborhood school to offer a two-way dual language program. Beginning in Pre-K or kindergarten, students in the program speak two different native languages and receive instruction in both English and Spanish.

Bilingual children who are educated in their second language have been seen to outperform single language children in their native language. Bilingualism also increases brain cognition by utilizing the highest levels of thinking, focus, and awareness.

## SERVICE ABOVE SELF

One of Celia Clinton's most active partners in education is the Rotary Club of Tulsa. Since 1993, Tulsa Rotarians have mentored and tutored our students, provided them with reading materials and dictionaries and donated more than 1,000 books to the school library. The club itself supports Celia Clinton's family literacy outreach and assists

## STEM PROGRAMMING

Thanks to the support of the Cal Ripken, Sr. Foundation and Devon Energy, every elementary school has a new STEM center where students can participate in fun and engaging hands-on learning activities - including computer coding!

## FOCUS ON PARENT ENGAGEMENT

One of Celia Clinton's biggest goals is to provide opportunities for parent involvement. Our Parent Engagement room will be offering various classes and programs to families throughout the school day. Through these free classes, parents will learn tools to help their children succeed in school and Spanish-speaking families can access additional support without language barriers, including English classes. Meet our teachers and staff at any of our parent engagement events throughout the year – from literacy nights to family dinners to school dances!

## FOCUS ON THE WHOLE CHILD

At Celia Clinton, we strive to create high-quality learning experiences that educate the whole child by meeting his or her social, emotional, and academic needs. Social and emotional learning (SEL) is the process through which children and adults acquire and effectively apply the knowledge, attitudes, and skills necessary to understand and manage emotions. We are proud to offer a social worker on campus as well as an embedded counseling agency to support our students' emotional needs.

## PROGRAMS AND CLUBS

Celia Clinton is excited to partner with Gaining Grounds this school year. Together we will offer Project-Based Learning (PBL) tutorials two days a week and a four week Project-Based Learning time during the summer. Other clubs we offer after school include: after school Project-Based Learning, choir, coding, community nights, debate, online news team, on-site counseling services, student council, and Tulsa Changemakers.

Thank you Tulsa for investing in every child and every school! Because of you, every child in our district will see, feel, and experience the benefits of the 2021 Bond package. Tulsans have made a five-year \$414 million investment in safe and accessible schools; state-of-the-art educational technology; sustainable student transportation; and rigorous, engaging, and culturally sustaining learning experiences that prepare students for success in college and careers.

### At Celia Clinton Elementary School, the 2021 Bond for Tulsa Public Schools includes:

- » A digital marquee, and parking lot and sidewalk improvements;
- » New educational and instructional technology for every class;
- » New equipment, materials, and resources for fine arts and physical education; and
- » Safe, comfortable, and environmentally sustainable transportation.
