MISSION

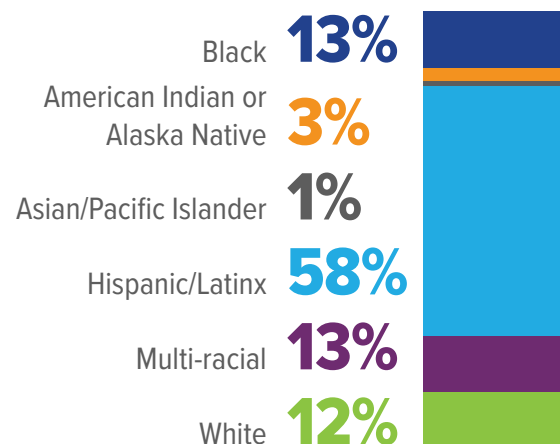

Dolores Huerta Elementary School is committed to engaging all learners in meaningful learning experiences that meet the highest educational and ethical standards in a caring, collaborative learning community supported through partnerships with parents and families, businesses, civic organizations, and higher education. Our students will leave with a love for learning that will carry them through the rest of their educational career and life.

AN INCLUSIVE SCHOOL COMMUNITY

Named for American civil rights activist Dolores Huerta, our school seeks to be an environment that is empowering and welcoming to all. We currently employ two English as a Second Language teachers, a bilingual parent facilitator and on-site bilingual staff to support Spanish-speaking students and families. In addition, we work with the YWCA to offer English classes for our students' families, and we partner with the Latin American Chamber of Commerce to help parents and employment and medical resources.

CLUBS AND PROGRAMS

Changemakers, Reading Partners, Junior Achievement, Music Program, Art, Physical Education, and Tulsa Food Bank Pop-Up Market partnership

STEM PROGRAMMING

Thanks to the support of the Cal Ripken, Sr. Foundation and Devon Energy, every elementary school has a new STEM center where students can participate in fun and engaging hands-on learning activities - including computer coding!

DEVELOPING POSITIVE BEHAVIORS

Dolores Huerta utilizes Positive Behavioral Interventions and Supports (PBIS), a schoolwide focus on developing and rewarding students for positive behaviors. By focusing on prevention rather than punishment, we are able to keep students engaged and in school. Our goal is to educate the whole child by meeting his or her social, emotional, and academic needs.

With strong social and emotional skills, our students will be able to set and achieve positive goals, feel and show empathy for others, establish and maintain positive relationships, and make responsible decisions.

FOCUS ON COMMUNITY

Our school places significant value on parent involvement because we know that a parent is a child's first teacher! In addition to hosting book fairs and holiday festivals, we are excited to partner with the Community Food Bank of Eastern Oklahoma to create a pop-up market. Families attend these monthly events in our school to purchase fresh dairy products, proteins and vegetables.

Thank you Tulsa for investing in every child and every school! Because of you, every child in our district will see, feel, and experience the benefits of the 2021 Bond package. Tulsans have made a five-year \$414 million investment in safe and accessible schools; state-of-the-art educational technology; sustainable student transportation; and rigorous, engaging, and culturally sustaining learning experiences that prepare students for success in college and careers.

At Dolores Huerta Elementary, the 2021 Bond for Tulsa Public Schools includes:

- » A new digital marquee;
- » New educational and instructional technology for every class;
- » New equipment, materials, and resources for fine arts and physical education; and
- » Safe, comfortable, and environmentally sustainable transportation.
